DON'T EXPERIMENT
You Will Make No Mistake if You Follow This Asheboro Citizen's Advice.

Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and no time to experiment. These are all symptoms of kidney trouble, and you should seek a remedy which is known to act on the kidneys.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in Asheboro. Follow the advice of an Asheboro citizen and be cured yourself.

Mrs. M. L. Stead, Salisbury St., Asheboro, N. C., says: "I have no hesitation in recommending Doan's Kidney Pills, as I consider them one of the best medicines to be had for strengthening the kidneys and clearing the system of uric poison. I suffered intensely from pains in the small of my back and I often felt dizzy and weak. I tried different kinds of medicine, but never got any permanent relief until I used Doan's Kidney Pills which I procured from the Standard Drug Co. They not only removed the pain but corrected other troubles that were caused by my kidneys. I urge other kidney sufferers to try this remedy."

For sale by all dealers. Price 50 cents. Foster-McLurg Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

You Laugh Here!
"Have ye seen the sign they have in the cars on Long Island Railroad?" asked O'Brien.
"No, what is it?" inquired Kerrigan.
"Passengers are forbidden to pick flowers while the train is in motion."
"That's nothing," said Kerrigan.
"O'Brien knew of a man who wanted to commit suicide. He couldn't decide which way the best way to do it, so he said, 'O'Brien go and lay me body on the Long Island Railroad tracks.'
"And was he killed?" asked O'Brien, interestedly.
"No," said Kerrigan, "he died of starvation."

Birth Day Dinner
According to previous arrangements by Mrs. A. S. Pugh and children, Sunday morning, November 20, about 9 o'clock the neighbors and friends and relatives of Mr. A. S. Pugh entirely to his surprise began to assemble at his home about four miles east of Asheboro to celebrate his 53rd birthday they kept coming until afternoon. Mr. Pugh soon stepped on to the racket and in his presence old style took it after them as they arrived and made everybody feel welcome. About 11 o'clock the new began to erect a table and found that in Mr. Pugh's (generally called Alf) absence that the material was already prepared and soon had a table sixty or more feet long. The ladies brought from their baggage baskets filled with the very best of eating and just "tentatively" covered up that long table, only leaving room for a few nice looking. Relations you bet. There was bread, pork, beef, chicken, pickles, pies, custards. There must have been 35 or 40 great stacks of the finest cakes you ever struck your teeth into. But when the ladies announced that all things were ready and the great crowds of about 175 formed in line around the table. They had one or two nice songs, led by Mr. Joo. Fredgen, and then prayer by Mr. Allen Humble and a short but appropriate talk by Mrs. A. F. Lyach. Then Mr. Humble returned thanks to the giver of all good and perfect gifts. After which the crowd was invited to fall to. It would have been fine to have stood off and looked at that bunch out; but I did not have time only to see a few. However I think they all did their full duty but I did take time to see that Don Pugh, Hank Fox, Causey Spoon, Frank Vestal and Frank Newby, and even Alfred Hamilton—all make good hands.
Parties who had presents for Mr. Pugh delivered several nice and useful things. Soon the Organ and singing commenced and occasionally the "graphophone" would speak out in "music" which continued till till time to go home. Everybody was in fine humor and enjoyed it fine. I heard one man say, "No more trouble for the next week." I guess he ate enough that he felt like he would not need any more during that time.
One who was present.
Lots of talk 'bout th' sort of stuff th' papers print, but I reckon they print what th' reepil hev'n appetite fer.
