Resolutions of Respect.

Whereas it has pleased our kind and indulgent Heavenly Father to remove from our midst the spirit of our esteemed and beloved Bro. W. C. Russell, therefore be it resolved by Hanks Lodge No. 128 A. F. A. M.

First. That in the death of Bro. Russell our town and community has lost a kind and true friend, the state a loyal citizen and Hanks Lodge a zealous and faithful member.

Second. That in recognition of the long and faithful labor of our deceased Brother in supporting Hanks Lodge at a time when its membership was weakest, always present at its meetings when possible and ever advocating those grand principles and beautiful lessons taught in Masonry, we do most sacredly cherish his memory.

Third. That while we bow in humble submission to the will of our Supreme Grand Master and deeply mourn our loss, yet we can cheerfully leave him in the hands of a Being who has done all things well; feeling that it has been his portion to receive from the Compassionate Judge, the welcome invitation, "Come ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world."

Fourth. That with the family of the deceased we do sincerely, deeply and most affectionately sympathize in their afflictive bereavement and would remind them that He who "His who tempers the wind to the short lamb locks down with infinite compassion upon them in the hour of desolation and will fold the arms of His love and protection around those who put their trust in Him."

Fifth. That a page in our records be kept sacred to the memory of our deceased brother.

Sixth. That a copy of these resolutions be spread upon our minutes, a copy tendered to each, brother G. O. Russell and the bereaved family, and a copy sent to the Asheboro Courier and one to the Orphan's Friend and Masonic Journal for publication.

Steed Happenings

Mrs. Betsy Hancock fell last Sunday and is thought to be injured very badly.

S. L. Cagle, who has a position at Star with the A. & A. Railway Company, visited home folks here Saturday night.

J. H. Williamson, our R. F. D. man, has had a very rough time for his work.

Miss Mattie Annas, of Ashby, was a guest of Miss Myrtle Freeman Saturday night and Sunday.

C. B. Herriman and family, of Cleveland, Miss., seem to be very well satisfied with this section and intend to make it their future home.

USUALLY ONE DOSE ENDS INDIGESTION.

Dyspepsia, Heartburn, Gas and all Stomach distress vanishes.

If your meals don't fit comfortably, or you feel bloated after eating and you believe it is the food which fills you; if what little you eat lies like a lump of lead on your stomach if there is difficulty in breathing after eating, eructations of sour, undigested food and acid, heartburn, brash or a belching of gas, you can make up your mind that you need something to stop food fermentation and cure indigestion.

To make every bite of food you eat aid in the nourishment and strength of your body, you must rid your stomach of poisons, excessive acid and stomach gas, which sour your entire meal—interferes with digestion and causes so many sufferers of Dyspepsia, Sick Headache, Biliousness, Constipation, Griping, etc. Your case is no different—you are a stomach sufferer, though you may call it by some other name; your real and only trouble is that which you eat does not digest, but quickly ferments and sours, producing almost any unhealthy condition.

A case of Pape's Diapepsin will cost fifty cents at any Pharmacy here, and will convince any stomach sufferer five minutes after taking a single dose that Fermentation and Sour Stomach is causing the misery of Indigestion.

No matter if you call your trouble Catarrh of the Stomach, Nervousness or Gastritis, or by any other name—always remember that a certain cure is waiting at any drug store the moment you decide to begin its use.

Pape's Diapepsin will regulate any out-of-order Stomach within five minutes, and digest promptly, without any fuss or discomfort, all of any kind of food you eat.

Wanted—Will pay cash for dry, one inch oak boards.

CONVALESCENTS

Those Recovering from Any Severe Illness

After a long wasting illness, convalescents require nourishing food that will not overtax the digestive functions—and in the way of a strength-restoring and vitality-making tonic, we know of nothing that equals Vinol, our delicious cod liver and iron tonic (without oil).

Vinol creates an appetite, re-establishes good digestion and helps the daily food to make rich blood, form flesh, strong muscles and impart new life and vitality to every organ in the body. We ask those who need a strength and flesh-building tonic restorative to call at our store and get a bottle of Vinol, with the understanding that if it does not help them we will refund their money without question.

Italy has voted to annex Tripoli. Wonder why? Must be because she doesn't like their present school system in Tunis—this is as good as any reason assigned.
