

# The Velvet Kind

## PURITY ICE-CREAM

JUST the thing for lawn parties—  
just the thing for dessert—just the  
thing to cool one off on a hot day

This cream is made in the most  
scientific and sanitary ice-cream plant  
in the world. Human hands never  
touch it.

The raw cream comes from cows that are  
Government inspected. In our laboratory it is  
tested for butter fat. It is analyzed to detect the  
slightest impurity.

We pasteurize our cream—subject it to 180 degrees  
of heat. Ordinary cream could never be so healthful.  
This cream is made in all flavors. Some kinds are  
filled with delicious nuts, citron and other goodies.  
Others there are, made out of fresh crushed fruits.

Wherever known the VELVET KIND becomes the ONLY  
KIND.  
Call for it at the fountain, order it in quantities  
for dessert for fetes. Wouldn't some of this cream  
taste good right now? Go order it.

## THE BEST FOR THE MONEY

Four Drawer "Wels" Filing Cabinet  
For Only \$20.00

The best low priced filing cabinets on the market are the famous Wels Filing Cabinets. The cabinet illustrated in this article is a four-drawer, Golden Oak Cabinet, substantially constructed, and very handsome in appearance. It has double roller-bearing self-supporting drawers, and is finished on all four sides. The sides and back are handsomely paneled and it has brushed brass label holders and drawer pulls. The drawers are dust

proof and are equipped with follower blocks. The capacity of the cabinet is 20,000 letters, each drawer having a capacity of 5,000 letters. These elegant cabinets will give years of service in spite of the hardest usage.

The drawers roll easily without friction or binding on an especially substantial support. All points of contact on both support and slide are equipped with composition fibre rollers. The drawer can be extended the full length from the cabinet. Among the users of the cabinet in Asheboro are Dr. H. B. Hiatt, Hammer & Kelly and The Courier business office.

There is not another cabinet made of as good quality of material as this one which sells for the remarkably low price of \$20.00. McCain & Hoover are the agents in Asheboro for these filing cabinets.
