Washington Letter
Taverner Discusses Vital Issues
Special Correspondence of The Courier
Washington, Aug. 31.—Governor Wilson has indicated in the speeches he has made thus far in the campaign that he attaches a great deal of importance to the question of the tariff as it affects farmers.

Washington Letter (Continued)
The farmer does not derive any benefit from the tariff when he goes to market to sell his products, but on everything the farmer buys there is an artificially high price due to the tariff tax.

OUR RALEIGH LETTER
Democratic Prospects Good—Sensational Situation
Raleigh, Sept. 4.—National Committeeman Josephus Daniels, who is spending a few days here this week looking after his personal and newspaper interests, brings the finest encouragement from national Democratic headquarters in New York, where he is kept busily engaged during the illness and absence of the national chairman and vice-chairman, respectively.

OUR RALEIGH LETTER (Continued)
There has been a noticeable activity the last few days at Simmons and Kitchin headquarters here. The immediate cause of it is the appearance of Senator Simmons personally to help State Manager S. L. Rogers in such matters as he can, and the arrival of Congressman Claude Kitchin at Governor Kitchin's headquarters.

Chief of Police Seriously Wounded
—Will Probably Recover
Chief of Police J. C. Darfel, of Randleman, was seriously shot last Saturday night by Charles Gaster, a young white man of about eighteen of Worthville.

MIKE WRITES PAT AGAIN
Puzzled Over Statement of the Mighty Colonel
My dear Pat:
A statement in the call for a progressive convention has just come to my attention, and I am both amazed and puzzled.

MIKE WRITES PAT AGAIN (Continued)
I have been puzzled to know what is to become of those of us who do not join the Bull Moose party, and take part in their deliberations, and in the liberation of the country from the Constitution which has bound it down and oppressed it all these long years.

"BULL MOOSE" CONVENTION
Met in Greensboro Tuesday—Dr. Cyrus Thompson for Governor.
The first State convention of Roosevelt's third party for North Carolina met in Greensboro Tuesday of this week, with about one-fourth of the counties represented by about 150 delegates in mass meeting.

"BULL MOOSE" CONVENTION (Continued)
How can the Democrats hope to elect Woodrow Wilson with men like these against him? How can they hope to overcome the modern Napoleon? And then think about the terrible effect that the circulation of the Randolph Republican papers will have on Wilson's campaign from the Atlantic to the Pacific, and from Canada to Mexico.

WASHINGTON LETTER (Continued)
High protectionists in Congress have for years deceived the farmer into believing that because a tariff is kept on wheat and corn the farmer is necessarily benefited thereby.

WASHINGTON LETTER (Continued)
But the situation is vastly different with the farmer when he comes to buy the tools, machinery, clothing and other necessities of life. He finds every article that he uses in producing his crops taxed higher and higher, until, as Gov. Wilson says, "it is getting to be next to impossible for the American farmer to make a legitimate profit."

WASHINGTON LETTER (Continued)
Perhaps it will be of interest to the readers of The Courier to know that its editor is having a few days vacation, the first in twenty years. As everyone knows, Mr. Hammer is a very busy man, being interested in all the affairs of town, county, state, and nation.

WASHINGTON LETTER (Continued)
Mr. Hammer says he will again see in his office Friday of this week. Many, however, doubt if he can stay away so long unless he were on business.

WASHINGTON LETTER (Continued)
In his speech of acceptance President Taft said the great issue before the people was the retention of popular constitutional representative government. It never occurred to Mr. Taft that the greatest period of unrest in this country since war days has been brought about by the millionaire trust owners who, while shouting about popular government, have made a farce of common, everyday justice.
