## \$50.00 PER DAY--

Sounds like big wages for any man employed in Randolph county. One of our depositors recently made more than that in one day when he took his money out of his trunk and deposited it in our bank. In a short time the house in which he lived, the trunk and all its contents were burned. His money would have been gone forever if he had not taken it out and put it in the bank.

There are many others in Randolph that should have money deposited with us. You cannot tell when the fire, the thief or the pickpocket is coming. Get ready before either comes by depositing your money with us.

Dedicated to the Boys and Girls  
The "Life and Speeches of Chas. B. Aycock" has just come from the presses of Doubleday, Page and Co., New York. The subject matter of the book and the entertaining manner in which it has been presented by Messrs. Connor and Poe will grip the interest of every friend of the State's "Educational Governor"—and who among us all was not his friend? Very fittingly the authors have dedicated their book to the boys and girls of the state in the following lines:

To boys and girls of North Carolina whom he loved and for whose development he so passionately yearned, and for whom he ever gave the gladdest service of his heroic life, this book is dedicated.

The great and patriotic work undertaken by Governor Aycock will continue to impress itself upon the mind and thought of our people wherever this book is read, and a thousand copies of it should be read in a thousand homes in everyone of the hundred counties of the state he loved so ardently and served so unselfishly.

The volume is an attractive one of nearly 400 pages in dark green binding stamped in gold. There are three portraits of Governor Aycock and five other illustrations. This binding is sent postpaid for \$31.50; a finer binding in leather is sent for \$2.50 postpaid. Orders should be sent to the Tar Heel Company, Raleigh, N. C.

We guarantee a good paying position to every teacher who completes her preparation at Littleton College.

**Death of Young Girl**  
On Wednesday, September 4, the death angel visited the home of Mr. and Mrs. L. B. Lindley, near Liberty, and took away their oldest daughter, Rosa, a girl just a little past sixteen years of age. She had been ill for only a few days, and her death was a great shock to her parents and the entire community.

Rosa was laid to rest at Bethany, the funeral services being conducted by Rev. Mr. Wolfe in the absence of the pastor. There amid a large gathering of friends and loved ones, she was tenderly laid to rest to await the resurrection morn.

Rosa was a good christian girl, always dutiful and obedient to her parents, kind and respectful to the aged. She died with the name of Jesus on her lips, leaving behind strong and sufficient evidence that all is well with her.

**Clatsville Items**  
Mr. C. B. Wise and sister, Miss Sallie, who have been seriously ill for some time, are very much improved.  
Rev. and Mrs. C. G. Johnson and children, of Greensboro, are visiting in our community.  
Mrs. Allan Hale and little son, of Greenville, S. C. spent a few days with relatives here last week returning to their home Monday.  
Mr. Sam Rike and daughter, Miss Elsie, of Randleman, visited at J. M. Laughlin's Sunday.  
Miss Maude Allred spent last week with friends near Edgar.  
Miss Agnes Henley is visiting in Central Falls this week.  
Miss Cora Johnson, of Randleman visited Miss Maude Allred Sunday afternoon.

**The Cause of Many Sudden Deaths.**  
There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, brick-dust or sediment in the urine, head ache, back ache, lame back, dizziness, sleeplessness, nervousness, or the kidneys themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and better health in that organ is obtained quickest by a proper treatment of the kidneys. Swamp-Root corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root, the great kidney remedy is soon realized. It stands the highest because of its remarkable health restoring properties. A trial will convince anyone. Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention treating the generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, and don't let anyone sell you something in place of Swamp-Root. If you do you will be disappointed.

Randolph County North of Deep River.

A recent issue of the Southern Field, the industrial publication by the Southern Railway, gives a description of the territory through which the Sanford division of the Southern runs. Here is what it said of the section of Randolph through which this division runs:

The Greensboro-Sanford division passes through the northeastern part of Randolph county and a branch extends southward to Ramseur in the eastern central section.

Randolph county, excepting the southeastern corner, lies in the Piedmont, and has an altitude ranging from 800 feet in the north to 500 feet in the south. There is a large variety of fertile soils embraced within the alluvial bottoms, the upland slopes, the hills and the plains. It may be safely said that Randolph county can produce successfully and profitably any crop that can be grown in the state. The leading crops are corn, wheat, rye, oats, grasses, cotton, tobacco, and fruits. Randolph county contains 453,469 acres of land. In 1910 there were 3,158 farms containing 350,830 acres, of which 116,737 were improved. The population in 1910 was 29,491.

The towns of Liberty and Staley in the northeastern part of the county, are on the Greensboro-Sanford Section of the Southern Railway. Liberty is a trading center of several hundred population, and is a thrifty place, surrounded by a good farming section. Staley is also located in a region offering good opportunities to agriculturists.

On the Ramseur Branch are Millboro, Cedar Falls, Franklinville and Ramseur. The latter is a progressive place of about 1,500 population and has a bank and some industries. The surrounding country offers good opportunities to the farmer. Millboro, Cedar Falls and Franklinville are growing towns located in good farming and fruit sections.
