

Governor Kitchin Orders Hazing Investigated—Other Matters.
Special Correspondence.

Raleigh, Sept. 18.—If the killing of young "Billy" Rand at Chapel Hill last week by a bunch of sophomore ruffians, more politely called "hazers," of the State University, does not result in the wiping out of that barbarous practice from the University, there ought to be a revolution in the management (or lack of management) of that institution.

Governor Kitchin called for an investigation and report from President Venable, and there has been a meeting of the trustees within the last two days, and if there has been or will be developed certain particulars this accident (as its perpetrators claim it to be) before the investigating committee which have reached the ears of this writer, there is a more serious side to it than has been presented to the public so far. Yet one must not be too ready to accept "rumors" for the truth, and it is well to reserve judgment until the facts are properly established. Some few years ago a "Freshman" got advance information that he was to be subjected to a pretty rough treatment at the hands of some University "hazers," and when the eventful night rolled around one of the hazers was sorry for a good and protracted season, and lucky that the undertaker didn't come around after him. That stopped the "practice" of that particular feature of the University curriculum for a few years. But the freshmen of 1910 seem to lack the nerve to resist their tormentors, and hazing is said not to have been worse than up to last Friday morning, in several years.

A Little Campaign Perfumery
Tomorrow night the Democratic State Committee will meet in Raleigh and formally pass upon who is a Democrat—enough of a Democrat to vote in the Senatorial primary.

The Charlotte Press on the Simmons Speech
I can print nothing that will be read with more interest today than the following unbiased extracts from the report of the speech of Senator Simmons at Charlotte.

The Observer says: Those who may have questioned the personal and official popularity of Senator Simmons, had their doubts removed. His admirers even might have been pardoned did they express some satisfaction of having been avenged for the insult that had been persistently hurled at their champion since the campaign opened.

Mr. William Julian Dead.
Mrs. William Julian died Thursday morning at 3:30 o'clock, at the family home on West South Avenue, of typhoid fever, after an illness of nearly four weeks.

Mrs. Julian's maiden name was Sarah Emily Gordon and she was born near Raleigh in Randolph county, North Carolina, August 24, 1848. She moved to Morgan county, Indiana, near Monrovia, in November, 1865. She was married in 1870 to William Julian, and they lived in Indiana until 1882. Then they came to Lyon county and settled near Harford, where they lived until January, 1909, when they moved to their present home in Emporia. Six daughters and three sons were born to Mr. and Mrs. Julian, eight of whom are living. They are O. E. Julian, of Raton, N. Mex.; Mrs. Lettie McArthur, San Francisco, Calif.; Mrs. George Suhl, Mrs. W. F. Drexler, and Mrs. R. F. Osborne, Emporia; Mrs. D. L. Moore, Winslow, Ariz.; Mrs. C. E. Fritag, of Sharon, Kansas, and Edgar Julian, Raton, N. Mex. Daniel B. Julian died in October, 1907.

Mrs. Julian united with the Methodist church at the age of 14, and after coming to Kansas she transferred her membership to the Friends church. She was a member of Garfield Circle, Ladies of the G. A. R. She will be missed and mourned not only by her family, but by a large circle of friends who loved and respected her.

The above is clipped from a recent issue of the Emporia, (Kan.) Gazette.

"CASCARETS" FOR SICK HEADACHE.

It's Your Inactive Liver and Bowels—You Need Cascarets Sure.

You're bilious, you have a throbbing sensation in your head, a bad taste in your mouth, your eyes burn, your skin is yellow, with dark rings under your eyes; your lips are parched. No wonder you feel ugly, mean and ill-tempered. Your system is full of bile not properly passed off, and what you need is a cleansing up inside. Don't continue being a bilious nuisance to yourself and those who love you, and don't resort to harsh physics that irritate and injure. Remember that most disorders of the stomach, liver and intestines can be quickly cured by morning with gentle, thorough Cascarets. They work while you sleep. A 10-cent box from your druggist will keep your liver and bowels sweet and your stomach sweet and your bowels sweet for months. Children love Cascarets, because they are gentle and nager gripe or sickness.

CLEANS THE HAIR AND MAKES IT LOOK BEAUTIFUL AT ONCE—25 CENT "DANDERINE"

In a few moments your hair looks soft, fluffy, lustrous and abundant—No falling hair or dandruff.

"Surely try a 'Danderine Hair Cleanse' if you wish to immediately double the beauty of your hair. Just moisten a cloth with Danderine and draw it carefully through your hair, taking one small strand at a time, this will cleanse the hair of dust, dirt or any excessive oil—in a few moments you will be amazed. Your hair will be wavy, fluffy and abundant and possess an incomparable softness, lustre and luxuriance, the beauty and shimmer of true hair health.

Besides beautifying the hair, one application of Danderine dissolves every particle of dandruff; cleanses,

purifies and invigorates the scalp, forever stopping itching and falling hair.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow abundantly long, strong and beautiful.

You can surely have pretty, soft, lustrous hair, and lots of it, if you will just get a 25 cent bottle of Knewlton's Danderine from any drug store or toilet counter and try it as directed.

HERE IS A REAL DISPEPSIA CURE
"Pape's Diapepsin" Settles Sour, Upset Stomachs in Five Minutes.

Do some foods you eat hit back—taste good but work badly, ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic jot this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow but not pure. Diapepsin is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as Diapepsin comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.

Few, if any, medicines have met with the uniform success that has attended the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. The remarkable cures of colic and diarrhoea which it has effected in almost every neighborhood have given it a wide reputation. For sale by all dealers.

High Point Man Disappears

Two weeks ago, on September 5, Mr. Jno. M. Harrell, of High Point, went down town to his office, attended to his morning mail, and left for Greensboro on train No. 22. That afternoon he passed through High Point going south, having been seen by Mr. Will Ragdale, of Jamestown. This was the last seen or heard of Mr. Harrell. Mr. Harrell was a prominent insurance man, and held the full confidence of his friends.

The missing man was a native of Randolph county.

SUMMER FOODS OFTEN CAUSE DYSPEPSIA

Their Effect on the Digestive Organs Responsible for Many of the Season's Ills.

Summer should be the period of health, but impure water and milk, unripe fruit, and the tendency to indulge in acid foods and lead drinks, produces a contrary condition in many people.

The effect of the average summer diet is to constipate even normally regular bowels, and this results in disarranging the entire digestive system. When the bowels are choked with the stomach's refuse, indigestion is almost sure to follow, and the waste matter that should pass out through the bowels, not finding passage, ferments in the stomach and the poisons are forced into the blood, causing much distress and often serious illness.

To keep the bowels free, there is no more effective remedy than Dr. Caldwell's Syrup Pepsin. This is a pleasant-tasting bowel stimulant and laxative tonic and is very gentle in its action, bringing relief in an easy, natural manner, and without discomfort. A spoonful of Syrup Pepsin will quickly check summer diarrhoea by cleansing the bowels and removing the foreign matter that irritates and inflames the tissue. It is sold in drug stores for fifty cents a bottle; a large family size, necessarily more than twice quantity, costs a dollar. If you have never used Syrup Pepsin, get a free trial bottle, post paid, write to Dr. W. B. Caldwell, 1010 Washington St., Monticello, Ill.

You Should Use Electric Current

A very few years ago electric light was a luxury—today it is so easily within the means of everybody as to almost possess the character of a staple commodity. And therein lies the great liability of its being improperly exploited or not exploited at all. It therefore behooves everyone who lives within reach of a power plant to avail themselves of the pleasure and convenience of this most useful product of modern times and it is a duty that they owe themselves to at least investigate the practicability of the use of electric current not only for lighting but for the many other purposes for which it can be most successfully used.

Think for a moment of the great service electricity contributes to the pleasure and comfort of our homes. At the turn of a switch it floods the home with a light of soft white brilliance, or cooks our food, or does our ironing, or develops a useful power. As a servant electrically is always ready; as a saver of time and energy it has no equal. Electric service adds a touch of ease, healthfulness and refinement to the desirable in the modern home.
