

GRAND OPPORTUNITY TIME IN COURIER GREAT CONTEST BUT NOT SO GOOD AS "BOOSTER PERIOD"— NO BETTER TO FOLLOW.

For Every Club of \$20.00 in Subscriptions Turned In You Will Get a Bonus
Ballot Good for 400,000 FREE VOTES--Note Carefully the Offer and What
it Means--Get Busy and Win Several Clubs.

WHAT A CLUB MEANS

In The Courier's Automobile and Prize Contest
Every club of \$20 entitles the contestant to a certificate good for 400,000 Bonus Votes.

Clubs count more Extra Votes than they will at any other time during the contest.

This is "positively" the biggest and best Bonus Vote offer to be made during the contest.

There is no limit to the number of clubs the contestant may secure. They should get as many as possible.

A few clubs will put any contestant in line for a prize. The Extra votes make winning easy.

Clubs are made up of six months, one year, five years, and ten year subscriptions, old or new, also arrears.

The contestant starting an active campaign for votes right now may secure and be a leader.

The "club flush" is a good hand to hold in the contest. It is pretty sure to be a winner.

Get your friends to organize a club for you. The more clubs the more votes.

This period extends from October 17th to October 31st, at 12 o'clock p. m.

We told you last week that never again during the contest would you be able to secure so many votes on a single subscription. When we told you that, WE MEANT EXACTLY WHAT WE SAID. We are now making another offer, but it is not quite so good as the Booster offer. WE PROPOSE TO KEEP OUR WORD.

This is the grand opportunity time which means that during the next two weeks, ending Thursday, Oct. 31st, you will be given a Bonus Ballot good for 40,000 votes for every club of \$20 on subscriptions you send or bring to the contest department. You do not have to hold back your subscriptions until you get a club. Send in your subscriptions and money as you get them. We keep a record of the money and when you have \$20 to your credit we will issue you a ballot good for the amount of votes earned.

If there is anything in this offer that you do not understand, call up the Contest Department and the manager will be glad to explain same. Call on all your friends, tell them that you want to win the automobile or 1 of the other valuable prizes offered. They will help you. Not only with their subscriptions but will interest their friends in your welfare and when this contest has come to an end and you have been fortunate in winning one of the prizes you can heartily thank your friends for their assistance. Now is the time for you to decide whether you are going to win or not. Remember this offer includes subscriptions old or new or arrears.

This generous offer is made to put enthusiasm into The Courier's prize contest and will include all subscriptions coming in during the coming two weeks. This is absolutely the largest bonus vote offer that will be given at any time during the contest. You should send in at once on show that The Courier appreciates the activity of those who enter early and do their work from the start.

If you have not yet entered your name you should send it at once on a postcard or telephone the Contest Department and a representative will call and explain fully any details that are not clearly understood.

"OPPORTUNITY TIME" and every candidate anxious to win a prize should do her best before October 31st at 12 p. m., to secure a number of these Bonus Vote Ballots.

Those who are a little behind in the race can easily acquire first place during this time if a little extra effort is put forth. Read the conditions of this offer and try to get every available subscription. You will be surprised to see how rapidly your vote total will roll up into the thousands.

Do Not Hold Back Subscriptions. Candidates who have subscriptions in view, but who have been holding back awaiting developments, should do their best during "OPPORTUNITY TIME."

This offer is good for two weeks only and will close at 12 p. m., October 31st.

Do not hold back your subscriptions but bring or send them in as soon as secured. On each subscription the regular number of votes will be issued and if you have turned in 20 dollars in subscriptions before October 31st at 12 p. m., you will be given a bonus ballot. There is no limit to the number of these bonus ballots. Each candidate will be given a bonus ballot for every club of twenty dollars turned in on subscription before the above mentioned date.

This is absolutely the best offer to be made during the contest. The Courier pledges its word to the public that there will be no better offer of any kind.

Friends Should Help Now. The bonus votes are issued in addition to the regular number of votes issued on each subscription.

Many of your friends say, I will help you the last week of the contest. You need their help now when it counts most. There will be ABSOLUTELY NO OFFER OF ANY KIND BETTER DURING THE CONTEST THAN THIS ONE.

Now is the time that you should try the hardest to get long subscriptions. You should go to all your relatives and friends and show them just what a five years' subscription will do for you during this offer.

Do not stop with one bonus ballot, but keep on--there is no limit to the number that you can secure, and the more that you can get, the larger advantage it will give you.

Heartily Endorsed. The contest is heartily endorsed on all sides. The prizes are so valuable and desirable that they meet the warm approval of the public.

A number of married ladies have congratulated themselves that they are not, as is frequently the case, excluded in favor of the young girls. Here they have an equal chance with all the pretty and popular maidens, and may show the "younger set" that they will have to work for their laurels.

No Apology Necessary. No apology is necessary when you ask for a subscription to The Courier. You know full value will be received. You will not have to explain this to the old subscribers; they know well what the paper is worth, but you are also interested in getting new subscribers for their subscriptions. Point out to them the excellent news service of this paper, its methods of handling matters of importance all over the country; its thoroughness in presenting the local situation. If they once get the habit of reading The Courier they will not give it up.

Attention. All candidates in the Automobile Contest who do not intend to take an active part in the competition, will oblige The Contest Department by calling The Courier Contest Department by phone and ask that their names be withdrawn from the list. This is done only in fairness to the contestants taking an active part. Votes cast for contestants not taking an active part are only wasted.

ROOSEVELT SHOT

Ex-President Roosevelt while on the way from his hotel to the auditorium in Milwaukee, Wis., last Monday was shot by a man said by some to be a Socialist. The Colonel did not at the time know that he was hit and went on and made his speech, but before reaching the auditorium it was found the bullet had entered his body. The doctors at first thought the wound to be very slight, but later report says it may be serious.

The assailant, whose name is unknown, would have been lynched, had not Roosevelt prevented it. He confessed to the police and said: "Any man looking for a third term ought to be shot."

Mr. Charles Ross Speaks to Large Crowd in Asheboro.

Last Saturday night Mr. Charles Ross, of Harnett county, spoke to a large crowd in the court house at Asheboro. Col. W. P. Wood, State Auditor, in his usual pleasing manner, introduced the speaker. Mr. Ross is a former Asheboro boy who has "made good," being now a prominent citizen and successful lawyer of Lillington. His many friends here were glad of the opportunity to hear him. Mr. Ross, as usual made an excellent speech.

He said in part:
In 1896 a binding contract was made between the Republican party and certain special interests. For sixteen years we have been living under the influence of that contract. By its terms these special interests were to furnish the campaign funds to keep the Republican party in power; and the Republican party was to enact such laws and so administer the laws regulating combinations of capital as to enrich these favored interests.

By virtue of this great contract more than forty million dollars have been contributed to the campaign funds of the Republican party during this period of sixteen years. But in return therefor the American people have been taxed about \$25.00 per capita every year for the enrichment of the patrons of the party's campaign fund.

The Harvester Trust, the Sugar Trust and the Steel Trust have each enjoyed immunity from prosecution. A nation's sense of outraged justice demands equally before the law.

The Republican party's policy of restriction has destroyed America's shipping industry; and more, after these favored interests to monopolize the American markets and charge the American consumer extortionate prices all these years; these same interests now show their ingratitude and also the folly of this restrictive policy by building factories in foreign countries to meet their foreign trade.

The American people are in revolt against such a prostitution to private greed of a government founded for universal opportunity and equal justice.

Mr. Taft is repudiated and honestly defeated, with only the Mormon State of Utah to count on. Mr. Roosevelt seeks to escape the responsibility of his own past record; and presently offers as a solution for our national troubles bureaucratic or commission form government in lieu of the republican form of the Constitution. The democracy of the nation, led by Woodrow Wilson, with a profound faith in a government of law, would condemn the government to the hands of the people, and set on once more the time-honored doctrine of "equal rights to all and equal privileges to none." In this belief, but as in every other great crisis in the nation's history, God has helped our leader fit and prepared to serve the people's interests.

Geographical Society Meets at Asheville.

Seventy members of the American Geographical Society, of New York, forty-three of them foreigners of more than usual distinction, spent last Thursday in Asheville, the guests of the city. They were very much delighted with the scenery in the "Land of the Sky."

Mr. Carl Jackson and Miss Lizzie Pressnell, of Seagrove, were married last Monday night at the home of the officiating J. P., J. A. Neighbors.

The program for the night and for Saturday morning has not been completed yet. The chances are that on Friday we will have a representative from the State Department of Agriculture, and on Saturday morning President E. C. Branson, of the State Normal of Georgia, will probably be here. The unfinished part of the program will come out later.

Parents should begin now to encourage their children to prepare exhibits. Teachers, too, should begin to plan the exhibits they would like their children to make. All communications in regard to the fair should be addressed to Mrs. Ross, New Market, secretary, Trinity, N. C., or Prof. T. J. Covington.
