

GOV. WOODROW WILSON SWEEPS NATION

Wilson Carries Solid South, New York, New Jersey, Maine, Maryland And Massachusetts

Incomplete Returns Assure Gov. Wilson Majority in College

Wilson Already Has 267 Votes Certain of a Majority.

PENNSYLVANIA IN DOUBT

Roosevelt Carried Illinois by a Majority of 100,000 or More - New Hampshire and Vermont Apparently Go for Mr. Taft.

Early returns Tuesday night assured the election of Woodrow Wilson to the Presidency and Thomas R. Marshall to the Vice-Presidency...

The size of the popular majority given the Democratic National ticket, or the states outside of Illinois that might give electoral votes to Taft or Roosevelt, is uncertain at this report. It is safe to say though that Wilson and Marshall's popular majority will be large. It is practically certain that Illinois will go to Roosevelt, while in Pennsylvania he seems to be the favorite, though that state is uncertain, the vote being close. Among other states he will probably carry are Iowa, Michigan, and Kansas.

Taft will get New Hampshire, Vermont and Utah, but his plurality will be small.

But little news comes from the West except California, where Wilson won. New York will cast 45 electoral votes for Wilson. Other Wilson states are Massachusetts, New Jersey, South Carolina, Virginia, Mississippi, Arkansas, Tennessee, Oklahoma, Wisconsin, Maine, Connecticut, Maryland, and all the South.

Former Speaker Cannon, of Illinois, is defeated. Randolph falls in line with a majority of about 500 for Wilson and Marshall.

VINDICATE SIMMONS

Majority About 25,000--A Very Fine Showing in Randolph.

Senator Simmons swept the state by a tremendous majority even more than anything predicted by the most roseate Simmons supporters, and his vindication is complete. The majority over Kitchin and Clark will be from 25,000 to 30,000.

He carried every district except two, the second and fifth. In the second, it is estimated Kitchin will have a majority of a few hundred, while the fifth gives him a majority of about 1,573.

According to returns late Tuesday night, Judge Clark did not carry a single county, but received a plurality in one--Union.

Randolph county has given Simmons a large majority, his vote being about 2,200; Clark's 200 and Kitchin's about 230.

50,000 Majority in State

Locke Craig and the entire Democratic State ticket was elected by a majority of about fifty thousand. The legislature will be overwhelmingly Democratic, larger at the 1913 sitting it now appears than the 1911 session. The ten Democratic Congressmen were also returned.

GREAT VICTORY IN RANDOLPH

Unofficial returns from every township in the county give the entire Democratic ticket a majority of more than 500. Locke Craig's majority is the greatest ever given anyone in the county. His majority will reach 900 over Iredell Meares and is nearly 800 over both his opponents. All the precincts went Democratic except Grant, West Franklinville, Cedar Grove, New Market and Tabernacle. The regular county ticket has a majority of between 500 and 700. A detailed account by precincts will be published next week. The entire Democratic ticket is elected in Davidson and Montgomery counties by small majorities.

All the Democratic constables and magistrates in all townships except Grant, Cedar Grove, Tabernacle and Brower are elected.

THE FORD AUTO HERE.

The Five-Passenger Machine, First Prize in Our Big Contest, Arrived Saturday.

Honk! honk! lookout. The Courier's first grand prize is turning the bend. What is it, did you ask? Well, just take a look. A five-passenger Ford touring car, straight from the factory here. It is not only one of the latest models but has all the necessary accessories and is now ready for you and your friends to tour in. The beauty of the whole thing is that it is going to be given away--given to you if you want it. All you have to do is to expend a little energy and make a canvass among your friends. Several people have asked the question how can such a car be given away free. It is pretty liberal, to say the least, but that is not material, as the lawyers down at the court house frequently say. It will be given away all right--you can rest assured of that.

Mrs. T. M. Johnson Entertains On Halloween.

The members of the choir of the Methodist Protestant church were entertained at the home of Mrs. T. M. Johnson on South Fayetteville St. last Friday night. The evening was devoted to a musical contest in which the guests readily answered the questions bringing in musical terms. After this the party was invited to the dining room which was decorated in autumn leaves, roses and chrysanthemums. The table was a beautiful sight with a large pumpkin in the center of a mirror, edged with vines and autumn leaves in which, from the top of a tall cap, to the floor, stood and greeted the visitors who shook the extended hand rather reluctantly. Ghost tales were told and some readings were given by Miss Annie Spencer and songs by Master James Underwood.

Fruit salad in witch rumpkin, wafers, individual pumpkin custards, marshmallows, marguerites and coffee were served. The entertainment was unique in that it appropriately observed the Halloween season and the musical side in which the guests were particularly interested.

Primary Teachers' Association.

The Primary Teachers' Association will meet in Greensboro, N. C., Nov. 27, 28 and 29. Every primary teacher is urged to be present. Teachers of the state should meet and become acquainted with one another. The discussions will be helpful and inspiring. Many prominent educators from other states will be present, among them Dr. Norworthy, whose talks were so helpful last year. This should be the best meeting that has been held. The teachers can make it so by their presence, therefore come to Greensboro. Every county should be represented at this association.

Col. J. W. Alspaugh, aged 85, one of Winston-Salem's oldest citizens, died last Sunday afternoon.

Col. Alspaugh had lived in Winston practically all his life, and seen Winston-Salem evolve from an insignificant village into a modern city. He organized the First National Bank of that city and was cashier of the same.

Mr. Alspaugh was at one time a member of the Board of Directors of Old Trinity College. He lost all his property, about 20 years ago in the Cape Fear and Yadkin Valley wreck, along with Col. Lash and others who were bankrupted.

\$40.00 IN GOLD

To be Given to the Contestant Who Turns in the Most Business From Nov. 8 to Nov. 21, at 12 P. M.

350,000 FREE VOTES

Will be Given Every Contestant for Every Club of Twenty Dollars in Subscriptions Sent in Between Nov. 8 and Nov. 21, at 12 P. M.

An agreeable surprise is announced in this paper. The Courier management is so well pleased with the work so far done by its contestants in the Great Automobile and Prize Contest it has decided to award \$40.00 in gold to the contestant who receives the largest amount of money on subscriptions from Friday, Nov. 8, to Thursday, Nov. 21. This is an extra prize and has nothing to do with the main prizes to be awarded at the close of the contest.

The contestants down at the bottom of the list have the same chance as the leaders. Votes issued prior to the 9th DO NOT COUNT FOR SPECIAL PRIZE OF \$40.00. However, all the votes issued during the Special Prize Period count towards the main prizes. The \$40.00 will be awarded to the contestant who receives the most money on subscriptions during the above mentioned Special Prize Period. You had better read the above over again, and make sure that you thoroughly understand it, if not, write to the Contest Department at once.

Here is your chance, Miss Contestant down at the bottom of the list. Get busy and see what you can do. It's a chance to jump in and win the forty dollars and at the same time build up your score for the main prizes.

A strict record of all votes issued on subscriptions turned in during the Special Prize Period will be kept, and on Friday morning, November 22nd, the winner will be announced. Who will be the fortunate one?

In addition to the \$40.00 in GOLD, we are announcing the next best bonus ballot offer as follows:

A voting ballot good for 350,000 votes will be given every contestant for every club of twenty dollars in subscriptions sent to the Contest Department of The Courier between Friday, November 8th, and Thursday, November 21st.

Now is the time for you to renew your work securing subscriptions and votes with renewed activity, and win the FORTY DOLLARS in GOLD, and also win several hundred thousand free votes. This is the best offer that will be made before the contest closes. Make up your mind that you will win the \$40.00 in GOLD.

Just a few weeks of the contest remains in which to do your final work. Do not think that because you have done well so far that you can take it easy now. A let up in your work now may cause your defeat. Don't stop until you have crossed the wire. Be a possessor of that "never any die" spirit. There are still hundreds of new subscriptions that can be obtained, and hundreds of subscribers who are just waiting for some one to call so that they can renew their subscriptions, announced in this paper. The Contest is rapidly drawing to a close. All the contestants are striving might and main to corral every subscription possible. What seems quiet and tranquil on the surface is really a hard, unceasing fight beneath.

Concentrated efforts are the most effective now. Every thought, every minute, should be devoted to vote-getting by the contestants, and that is what will win--real hard work, with systematic effort.

There is no one in this great race who can feel sure of his or her laurels until the last vote is counted. A number of contestants who apparently have made no effort--in fact have not turned in many subscriptions to date--are known to have received thousands of votes in subscriptions, which they are holding till the last day of the contest; they feel that by showing their hand

would cause their opponents to redouble efforts and make the ultimate winning of the prize more difficult. You can't always tell who is going to advance to the front in the final windup with a big bunch up their sleeves; the thing to do is to be able to spring a surprise of your own when the proper time comes.

From now until the close all contestants and their friends will be working in each district who induces the greatest number of friends to work for them. "Keep at it!"

Our University Letter.

Chapel Hill, Nov. 4.--A movement of state-wide significance had its rise at the State University this week in the form of an organization of a "North Carolina High School Debating Union." The two debating societies of the University evolved the plan, and expressed as its purpose the stimulation of greater interest in debating and encouragement of inter-school debating among the secondary schools in the state. Towards the accomplishment of this end more than 375 letters have been sent to the high and graded schools of the state urging their co-operation. The plan provides for a triangular debate between schools of the same standing and convenience of location. The two societies of the University will suggest the query and provide, from the University library, in part, the material covering both sides of the question, free of cost. Each school will send out a team of debate the negative side of the query and keep a team at home to debate the affirmative side. The school winning both sides of the debate will be entitled to send both teams to Chapel Hill where a contest will be held to determine the two teams that shall contest in the final debate for the state championship. The school winning the debate in the final will be awarded the "Ayrcock Memorial Cup," with the name of school and the members of the team engraved on it. If a school should win the cup for two successive years it becomes that school's property.

The new educational building, a gift of the Peabody fund, is nearing completion and will be ready for occupancy the first of 1913. The Peabody fund contributed \$40,000 towards its erection. It is a handsome structure and will be a credit to the educational department of the University as well as to North Carolina. It will be a great addition to the work of the regular summer school.

The preliminaries for Carolina's first inter-collegiate debate for the college year will be held October 19. The debate is with Washington and Lee University, of Lexington, Va., about the middle of December. The contest will be held at Lexington or Lynchburg, Va.

What is considered to be the first definite step towards the restoration of athletic relations between all the colleges of North Carolina was taken in Raleigh recently in the organization of an intercollegiate basketball league. All of the leading colleges of the state formed the league with the agreement of playing series of two games with each college. This evident sign of restoring athletic peace among the colleges of the state has been received everywhere with commendation, and as a sign of good omen for all interested.
