A FRIEND TO THE WORKING MAN

Five years ago I was so troubled with kidney trouble and inflammation of the bladder that I had to leave working my farm. Life looked dark to me until I heard of Dr. Kilmer's Swamp-Root through a cured friend. I tried a bottle and began to feel better at once. After using five or six bottles I felt fine and have continued to work as I had before my affliction.

I want to state that Dr. Kilmer's Swamp-Root is a kidney medicine that will cure and I owe my good work during the past five or six years to it.

Yours very truly,
C. W. MORRIS
Prescott, Ala.

Subscribed and sworn to before me, this 27th day of March 1913.

O. B. GORDON,
Notary Public.

This is to certify that Mr. C. W. Morris has bought Swamp-Root at this store in the past.

SECRET OF HAPPINESS

Is Service to Humanity According to Views of the Nation's Secretary of State.

America's great commoner, Secretary of State William J. Bryan, again thrills humanity with the following editorial in December's issue of the Commoner in "The Secret of Happiness." It is appropriate on this day of the year.

"At this season of the year, when gifts are making glad the hearts of children, and when the young people are remembering Him in whose honor Christmas day is celebrated, the older folks may find profit in considering the philosophy that the Savior brought into the world. He taught, not only that service is the measure of greatness, but that it is the measure of happiness as well. We enjoy life in proportion as we invest in it our energy, our thought and our sympathy—'where the treasure is there will the heart be also'."

"As money is of value only because it can be spent for something that is more desirable, so existence is of worth only because it can be expended for other things. 'Whosoever will save life shall lose it; but whosoever will lose his life for my sake, the same shall save it.' This is a maxim of universal application, demonstrated by history and capable of proof at any time by experience. The Great Teacher in trusted the world by precept and enforced the precept by example; and yet, in spite of the great truth which He established, multitudes are still blind—still hoping to find satisfaction in pursuits which are wholly selfish. Some worship their bodies, and end in their time collecting the

most palatable foods and most stimulating drinks, ornamenting themselves with the most costly clothing and housing themselves in luxurious homes, only to find that they weaken and finally destroy the physical frame which they idolize. Others pay their homage to the mind, flattering it and awing before it, as if it were a thin divine. Its sensations are more lasting, its delights more refined and it has a greater range of achievements, but it may be employed as selfishly as the body. If it is wrongly directed, it is far more potent for evil than muscle and bone, and it may lead one into the mires of doubt and into the solitudes of unbelief. He builds upon the sands who ignores the spiritual in man. The soul looks upward, as the flowers turn their faces to the orb of day; the conscious presence of the Creator is a necessary to the happiness of the human being as is the sunlight to the plant. To attune one's self to the infinite, it is necessary to conform to the law of the universe, and that law is service. To serve largely, one must, by the avoidance of all that will dissipate and destroy, hus and his strength and make it available for the doing of the things that are worth while—the larger his capacity for service, and the more complete his willingness to serve, the more abundantly will be the fulfillment of the promise 'It is more blessed to give than to receive.'"

Hopes Her Statement, Made Public, will Help Other Women.

Hines, Ala.—"I must confess," says Mrs. Eula Mae Reid, of this place, "that Cardui, the woman's tonic, has done me a great deal of good."

Before I commenced using Cardui, I would spit up everything I ate. I had a tired, spitty feeling all the time, and was irregular. I could hardly drag around, and would have severe headaches continuously.

Since taking Cardui, I have entirely quit spitting up what I eat. Everything seems to digest all right, and I have gained 10 pounds in weight."

If you are a victim of any of the numerous ills so common to your sex, it is wrong to suffer.

For half a century, Cardui has been relieving just such ills, as is proven by the thousands of letters, similar to the above, which pour into our office, year by year.

Cardui is successful because it is composed of ingredients which act specifically on the woman's constitution, and help build the weakened organs back to health and strength.

VALUABLE MANUFACTURING PLANT FOR SALE IN OPERATION

ON SATURDAY, JAN. 17, 1914, AT 1:00 P. M.

On the premises, in the town of Asheboro, N. C., pursuant to resolution of the stockholders, we will offer at Public Sale the entire plant of the Asheboro Wheelbarrow & Mfg. Co., including patents covering the manufacture of our popular Steel Wheels, together with equipment for making same, complete equipment for the manufacture of Railroad, Canal, Garden, Brick, and other wooden wheelbarrows, Trucks, Sinterettes, etc., and for stocking steel tray wheelbarrows.

Also small foundry and machine shop—the only one between High Point and Biscoe.

This wheelbarrow plant has been in continuous operation for nine years, and will be sold in operation, thus enabling the purchaser to take charge without any interruption in the business.

Our line is sold by most of the leading hardware jobbers who sell in the South-eastern States.

All SALES CONTRACTS and the GOOD WILL of the business go to the purchaser, which are valuable in themselves, since the reputation of our Barrows is established in a large territory.

Our NEAREST COMPETITORS are: Rome, Ga., Chattanooga, Tenn., Columbus, Ohio, and Syracuse, N. Y.

The EQUIPMENT will be sold separate from the real estate, so as to allow purchaser to remove plant to some other point, if desired, and not have to buy the land and buildings. At the same time we will give an option on the lots and buildings as follows, to any purchaser desiring to continue the business here:

1. Foundry and Machine Shop lot and buildings at \$500, to purchaser of equipment. Lot about 60x250 ft.
2. Wheelbarrow Factory building and lot at \$1,000, to purchaser of equipment. Lot about 200x250 ft.
3. An additional lot adjoining the Wheelbarrow Factory lot on the south at \$1,000, to purchaser of the Wheelbarrow plant. Lot about 185x250 ft.

Wheelbarrow plant will be offered separate from Foundry and Machine Shop, and then both will be offered together.

Reasons for selling: 1. Plant has been operated in connection with pine lumber business. Local pine lumber supply now about exhausted. 2. Lack of capital to manufacture full line of steel tray barrows, all steel barrows and road scrapers, which should be added to give volume to the business.

Can be operated successfully as it is in connection with lumber business in lumber territory—all necessary machinery for manufacture of dressed lumber, on small scale, being included in the present equipment.

Some of the old stockholders would take an interest in a re-organization, if desired, under proper conditions.

Terms of sale: One-half cash, balance in two equal payments on three and six months' time, if desired, provided deferred payments are properly secured.
