Germany protests against the references of President Wilson to illegal and inhumane acts. Denial is made that the German navy purposely destroyed lifeboats with passengers. The government proposes that the facts be cleared up by neutral commissions

Germany has despatched orders to submarine commanders precluding the torpedoing of passenger ships.

The German government suggests to President Wilson that an opportunity be brought about for fixing the details of the evacuation of occupied territorties.

Change German Constitution

Announcement is made of a fundamental change in the German constitution providing for representation of the people in the decisions concerning peace and war, and it is said the present government has been formed in complete accordance therewith.

Germany claims the sanction of international law for carrying out destruction of property during retreats, and says her troops are under strict G. W.
