

# 13 Dollars— 13 Cents

When Swift & Company paid, say, —13 dollars per hundredweight for live beef cattle last year, the profit was only 13 cents! In other words, if we had paid \$13.13, we would have made no profit.

Or, if we had received a quarter of a cent per pound less for dressed beef we would have made no profit.

It is doubtful whether any other business is run on so close a margin of profit.

This is bringing the producer and the consumer pretty close together—which should be the object of any industry turning raw material into a useful form.

This remarkable showing is due to enormous volume, perfected facilities (packing plants strategically located, branch houses, refrigerator cars, etc.), and an army of men and women chosen and trained to do their special work.

This, and many other points of interest, are found in the Swift & Company Year Book for 1919, just published which is brought out for the public as well as for the 25,000 Swift & Company shareholders.

The Year Book also represents the packer's side of the Federal Trade Commission investigation, upon which Congress is asked to base action against the industry.

Many who have never heard the packer's side are sending for the Year Book.

Would you like one? Merely mail your name and address to the Chicago office and the book will come to you.

Since going from Asheboro to Asheville with headquarters at Asheville, in December last, Mr. S. Glenn Young has arrested and caused to surrender to him nearly seventy deserters. On January 23 near the Tennessee line in Cherokee county after covering the mountains and homes of several deserters Mr. Young and a posse of five left for the Unaka mountains and on January 24 fell upon and arrested Jim Rose and a gang of outlaws just before daylight who were in the home of Thomas Jones, near "Jeffrey's Hell." The gang came out and opened fire which was returned by Young and his posse, the outlaws using high powered rifles. ## ON THE BATTLEFIELD IN FRANCE

There sleeps today across the sea On the battlefield in France, Earl Collier and Cliff Henley too, Who led their first advance; They died while in the battle. At the dawning of the day, And just before they closed their eyes Their comrades heard them say: When I'm gone just write to mother, Tell her how I fought and fell, How I kept Old Glory waving, 'Mid rain of shot and shell; When I'm gone just tell my country That I led our first advance, That I died for dear Old Glory On the battlefield in France. Beneath the Stars and Stripes at dawn Earl Collier fought and fell— Cliff Henley answered to the call And did his duty well; They gave their lives to save the flag Which marks their graves today. And to their comrades 'er in camp, This flag seems to say:

## Little Baby Dies

On January 26 the death angel visited the home of John Foster and took little Dorothy Ellen, our sweet little darling from us to heaven. She won the hearts of all she met, but God wanted her and transplanted her in heaven. It is hard indeed to give her up. We miss her bright little face and levitated incalculable suffering. Geo. H. This terrible sacrifice of half its magnificent army has been freely made by heroic France that liberty might live. The world, and especially America, owes France an enormous debt of gratitude, not only for this, but for the discovery by French peasants of a perfect remedy for stomach, liver and intestinal disorders which is reported to have saved many thousands of lives the world over, prevented innumerable surgical operations and alleviated incalculable suffering. Geo. H. Mayr, a leading Chicago Chemist, imports the ingredients and sells this remedy in America under the name of Mayr's Wonderful Remedy. ## EVER SALIVATED BY CALOMEL? HORRIBLE!

Calomel is Quicksilver and Acts Like Dynamite on Your Liver. Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system. When you feel bilious, sluggish, constipated and all knoed out and believe you need a dose of dangerous calomel just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate. Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tonic straightens you right up and you feel "reat. Give it to the children because it is perfectly harmless and doesn't gripe.

## ALL CHILDREN LOVE "SYRUP OF FIGS" FOR LIVER AND BOWELS

### Give it When Feverish, Cross, Bilious, For Bad Breath or Sour Stomach

Look at the tongue, Mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once. When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its bowels without griping, and you have a well, playful child again. You needn't coax sick children to take this harmless "fruit laxative;" they love its delicious taste, and it always makes them feel splendid. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

## A Hint to the Aged

If people past sixty years of age could be persuaded to go to bed as soon as they take cold and remain in bed for one or two days, they would recover much more quickly, especially if they take Chamberlain's Cough Remedy. There would also be less danger of the cold being followed by any of the more serious diseases.

## Chamberlain's Tablets

These Tablets are intended especially for disorders of the stomach, liver and bowels. If you are troubled with heartburn, indigestion or constipation they will do you good.
