The Republicans on Friday February 28th began the introduction of political bills amending election laws. On the same day Chairman Birkhead of the Democratic executive committee of Randolph county wrote the Republican county chairman and insisting that legislation be enacted carrying out the pledges of that political party as to abolishing the office of county treasurer and the placing the county officers on a salary, but nothing was done.

School at Parks Cross Roads is still moving on nicely.

Mrs. Lynch arranged a very interesting program for Saturday night, March 15, and the weather was so very bad that only a part of the program was offered and the entertainment was postponed until March 20, and owing to a little sickness in the district and uneasiness for fear of its being flu, the entertainment was postponed until March 29. Every one invited. admission 15 and 20 cents. Those present March 15 and heard only a few recitations say they got 25 cents worth of that.

BACKACHE IS A WARNING

Asheboro People Should Not Neglect Their Kidneys

Backache is often nature's most frequent signal of weakened kidneys. To cure the pain and aches, to remove the lameness when it arises from weakened kidneys, you must reach the cause—the kidneys. If you have pain through the small of your back, urinary disorders, headaches, dizzy spells, or are nervous and depressed, start treating the kidneys with a tested kidney remedy.

Doan's Kidney Pills have been proved good and are especially for weak kidneys. Doan's have been used in kidney trouble for over 60 years. Read Asheboro testimony.

Mrs. J. C. Ingold, N. Fayetteville St. says: "about a year ago I had a tired aching in the small of my back and severe headache. My kidneys didn't act properly and I was tired languid. Hearing of Doan's Kidney Pills I got a box at the Standard Drug Co. and they brought me wonderful relief. I took a few doses of Doan's occasionally and they keep me feeling fine."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Ingold had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

LOOK AT A CHILD'S TONGUE WHEN CROSS, FEVERISH AND SICK

Take no chances! Move poisons from liver and bowels at once.

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged waste, sour bile and fermenting food gently moves out of the bowels, and you have a well-playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if tongue is coated then give this delicious "fruit laxative." Children love it, and it can not cause injury. No difference what ails your little one—if full of cold, or a sore throat, diarrhoea, stomachache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs." Look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Send back with enclosed any other fig syrup.
