Friday Afternoon Club

The members of the Friday afternoon club and several invited guests enjoyed the hospitality of Miss Esther Ross last Friday afternoon. The guests were asked to bring their sewing but the hostess had a most unique original contest which broke the usual monotony of sewing. The contest was arranged by the hostess, the answers to the questions being the names of the club members. Spring flowers were used for decorating the parlor, which was most attractive. An ice course was served.

HOW CAN YOU TELL YOUR FAVORITE TOBACCO?

As Plain as the Nose on Your Face—Just Smell It

Smokers do not have to put tobacco in their pipes to find out if they like it. They can just rub the tobacco between the palms of their hands and smell it. The nose is an infallible guide to smoking enjoyment.

All smoking tobaccos employ some "flavoring" to improve the flavour and burning qualities of the leaves, to quote the Encyclopedia Britannica. Naturally, there is considerable difference in the kind of flavorings used, and the nose quickly detects this difference. TUXEDO Tobacco uses the purest, most wholesome, and delicious of all flavorings—chocolate. And the almost universal liking for chocolate in a great measure explains the widespread popularity of TUXEDO Tobacco.

Carefully aged, old Burley tobacco, plus a dash of pure chocolate, gives TUXEDO Tobacco a pure fragrance your nose can quickly distinguish from any other tobacco. Try it and see.

FRENCH SACRIFICE FOR LIBERTY HEROIC

Six millions of French sons have offered their lives that democracy might live. 30 million other French men and women sacrificed their all for the same purpose. America's debt of gratitude to France for this is very great. We also are indebted to her for an invaluable remedy for stomach, liver and intestinal ailments discovered by the esants, which it is reported has saved many American lives and prevented thousands of surgical operations. Geo. H. Mayr for many years a prominent Chicago chemist imports the ingredients and sells this remedy under the name of Mayr's Wonderful Remedy. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments. One dose will convince or money refunded. Sold by Standard Drug Company and druggists everywhere.

CALOMEL SALIVATES AND MAKES YOU SICK

Acts Like Dynamite on a Sluggish Liver and You Lose a Day's Work There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tonic—a perfect substitute for calomel. It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate. Children and grown folks can take Dodson's Liver Tonic, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tonic instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tonic acts better than horrible calomel your money is waiting for you.

LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply, for your face, neck, arms, and hands. At the cost of a small jar of ordinary cold cream one can prepare a full quart of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms, and hands. It is marvelous to smooth rough, red hands.

FOR SALE—Fresh milk cows, also two nice matched parson horses, three and four years old this spring. N. C. Adams, Seagrave, N. C.
