

"That these dead shall not have died in vain"

A GOLD STAR in a Field of Black. All through the nation men and women wear that symbol of proud grief for the lad they loved who died. And we who share their sorrow and envy them their pride, bow our heads in silent reverence for the brave who gave their lives that Liberty might live.

Sixty thousand Americans died in this war. The bravest and the best we had.

They gave all they had for their country. Our country.

They gave it gladly.

It is our sacred duty to see that these dead shall not have died in vain. We must carry on the task they left for us.

We must pay our share of the cost of Victory.

Their share is paid.

"A SPLENDID TONIC"

Says Hixson Lady Who, On Doctor's Advice, Took Cardui And Is Now Well.

Hixson, Tenn.—"About 10 years ago I was..." says Mrs. J. B. Gadd, of this place. "I suffered with a pain in my left side, could not sleep at night with this pain, always in the left side..."

My doctor told me to use Cardui. I took one bottle, which helped me and after my baby came, I was stronger and better, but the pain was still there.

I at first let it go, but began to get weak and in a run-down condition, so I decided to try some more Cardui, which I did.

This last Cardui which I took made me much better, in fact, cured me. It has been a number of years, still I have no return of this trouble.

I feel it was Cardui that cured me, and I recommend it as a splendid female tonic.

Don't allow yourself to become weak and run-down from womanly troubles. Take Cardui. It should surely help you, as it has so many thousands of other women in the past 40 years. Headache, backache, sideache, nervousness, sleeplessness, tired-out feeling are all signs of womanly trouble. Other women get relief by taking Cardui. Why not you? All druggists.

LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Fressone costs but a few cents at any drug store. Apply a few drops on the corn, calluses and "hard skin" on bottom of feet, then lift them off.

When Fressone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

"This is the Way I Have Helped"

"I couldn't get out and work for my country as you girls did. There were duties that kept me at home.

"But, just as the boys over there saved the Nation, I saved for it.

"Like them, I've finished the job. I've bought of the Victory Liberty Loan—as much as I did in the other!"

PRICE OF PEACE REVEALS SECRETS

Treasury Presents Film of Events in Great Conflict Showing What Victory Liberty Loan Bonds Pay For.

Secrets of the war recorded by the motion picture camera and only now released by the censors are revealed in "The Price of Peace," an official film issued in behalf of the Victory Liberty Loan, and being shown all over the country.

"The Price of Peace" is the only official picture ever assembled which purports to cover the war from the day it was declared down to date.

The purpose of the picture as announced by the Department of the Treasury through Frank R. Wilson, director of publicity, is to put before the public a graphic accounting and to make clear why there is now a Victory Liberty Loan.

The picture opens with a scene in President Wilson's office and a reference to that momentous April 6, when war was declared. It concludes with a remarkable view of the Statue of Liberty, in New York harbor, and the homecoming of our army.

But there is a vast deal between, including the embarkation of troops, their landing in France, final training over there, then the desperate realities of the front line trenches, gas attacks, army railroading under fire, the great attack from Soissons to Chateau Thierry, infantry and artillery under heavy bombardment, a battle between aeroplanes, and the downing of an enemy airplane, the observation balloons under fire, then the battle dead, the prisoners, captured guns, our troops marching over the Rhine into Germany, General Pershing and his men in Prussia, Christmas with the Army of Occupation in Germany, and the homecoming.

Probably the greatest thrill of the picture is in the scenes where our troops are seen going "over the top" and into the wheatfields at 4:15 o'clock on that famous July 18, 1918. There is a dim, misty light, that gives these scenes a peculiar intensity. Other scenes of desperate fighting show an American battery under heavy fire from enemy guns in the Argonne. In yet other scenes American soldiers are shown heavily advancing under shrapnel fire across an open glade. They are shot down near the camera.

The activities of the American navy furnish another important chapter of the picture. A number of important scenes show the German fleet attempting to surrender.
