

ADA WARD TO LECTURE HERE

Will Discuss Close Relationship With Our Allies.

Noted English Woman Arrives in America Just in Time to Begin Redpath Chautauqua Tour.

"Getting Together" will be the title of the lecture on the opening night of the coming Redpath Chautauqua by Miss Ada Ward, dynamic, eloquent English woman, just recently arrived in America, who states the case of the common interest of America and her allies. Incidentally Miss Ward will tell some of her experiences entertaining the "Tomnies" at the front.

Miss Ward first became known to American audiences during the war. She had a wonderful story of life at the front, and she told it so dramatic-

ly that she completely captivated her hearers.

After the signing of the armistice Miss Ward went to France and Germany, and only came back to the United States at the beginning of the Chautauqua season in April. She comes here with a vivid story of conditions in present-day Europe and with a plea for a strengthening of the ties which bind America and our allies together.

HEADACHES OF CHILDREN

There are several reasons for headaches among children, but by far the most common one is eyestrain. Such headaches may show themselves in any part of the head. A child who sits in an awkward position, and many of them do this, can get headaches due to the circulation in the eyes being cramped. Long continued use of the eyes for near work can also cause it. When a child's eyes are inflamed, including styes, or if headache occur, a careful examination of the eyes should be made.

Proper Food for Weak Stomachs

The proper food for one man may be all wrong for another. Every one should adopt a diet suited to his age and occupation. Those who have weak stomachs need to be especially careful and should eat slowly and masticate their food thoroughly. It is also important that they keep their bowels regular. When they become constipated or when they feel dull and stupid after eating, they should take Chamberlain's Tablets to strengthen the stomach and move the bowels. They are easy to take and pleasant in effect.

Leader of Orchestral Sextette at Chautauqua

Miss Irene Stolofsky is leader of the Orchestral Sextette, the opening attraction at the coming Redpath Chautauqua, and both as director and as an individual artist she is truly exceptional. She has a splendid position

among the younger violinists of the country. Her repertoire embraces the literature of the old masters as well as the modern composers.

The Orchestral Sextette gives a full program on the first afternoon and a prelude at night.

Road to Happiness

Be amiable, cheerful and good natured and you are much more likely to be happy. You will find this difficult, if not impossible, however, when you are constantly troubled with constipation. Take Chamberlain's Tablets and get rid of that and it will be easy. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.

Thrift is not miserliness. It is getting the most out of every dollar. \$4.15 in W. S. S. will mean \$5.

METHODISTS OF SOUTH RALLY TO THE FLAG

FROM ONE END OF COUNTRY TO THE OTHER THEY WILL GATHER UNDER BANNER OF CROSS IN CAMPAIGN, MAY 18-25.

Methodists of the South will unite May 18-25 in conducting the greatest denominational campaign ever undertaken in the history of the world. During the week every member of the church will rally to the flag of the cross through the call of Methodism and given of their time, energy and pocketbooks to the raising of a fund of \$35,000,000. Every dollar of the money raised will be spent in missionary work, both at home and abroad, ten million being turned back into the upbuilding of churches, schools and hospitals in the South. A large part of this sum will go towards increasing the salaries of the ministers of the rural churches, particularly those who have been working against great difficulties in the matter of taking care of circuits containing a number of churches.

The Centenary movement of the Methodist Episcopal Church, South, not only means increased salaries for the pastors in the rural districts but also the establishment of mission schools in many inaccessible and needy communities of the country. Especial effort will be made to awaken the laymen of the church everywhere so that in those churches where a minister cannot preach every Sunday, there will be a service just the same. Because of the loyalty which Methodists everywhere have towards their church it is believed that, even though \$35,000,000 is a large sum, it will be raised.

Get Rid of Your Rheumatism Now is the time to get rid of your rheumatism. You will find Chamberlain's Liniment a great help. The relief which it affords is alone worth many times its cost.

A dispatch from Germany says "Germany is already of one mind for paying for the crimes of her former government to any degree possible." Then there is little cause for doubt as to the success of the peace treaty, and even the League of Nations.

LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Freezone costs but a few cents at any drug store. Apply a few drops on the corns, calluses and "hard skin" on bottom of feet, then lift them off.

When Freezone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.
