

If You Have Children Remember that—

KARO is one of the greatest of energy producing foods. It is healthful and always delicious. Give the children hot biscuits, muffins, sliced bread and Karo—all they want of it. It means Health and Strength.

There Are Three Kinds Of Karo

"Crystal White"—in the Red Can; "Golden Brown"—in the Blue Can; "Maple Flavor"—the new Karo with plenty of substance and a rich Maple Taste—in the Green Can.

IMPORTANT TO YOU—Every can of Karo is marked with exact weight in pounds of syrup contained. Do not be misled by packages of similar size bearing numbers only and having no relation to weight of contents.

FREE Every housewife should have a copy of the interesting 68-page Corn Products Book. Beautifully illustrated and full of information for good cooking. It is free. Write us today for it.

Wm. JEFF DAVIS,
Connelly Springs, N. C.

OBITUARY

Elwood Farlow
Silas Elwood, son of Mr. and Mrs. Newton Farlow, died June 12th 1919, at the age of 40 years, 10 months, 8 days. For about seven years he had been a victim of consumption, which held him bedfast during the last three years. But he bore his sufferings boldly, and like a hero, fought the battle bravely to the finish, never wavering from his duty to God and to those about him, and never forgetting to show his appreciation of the many deeds of love and kindness shown him. He was a man who liked to help others, and all thru his illness he never forgot to try to direct others into the path of right living. He wrote encouraging letters to his many friends thru the columns of "The Union Republican," and to some he wrote personally. He read and studied a great deal, which was confined mostly to the Bible and its relative, since it was his desire to learn more and more of Heaven, as he expressed himself. In a letter dated April 16th addressed to the writer, he said: "I realize my time now in this world is very short, and I am so anxious to go to Heaven where I can rest. Oh! If I miss Heaven I'll miss all." Now Woodie is gone from our midst, but while he lived, he like each one of us, had a mission to fill, and while the last part of his life was uncomely hard to bear, he felt like he was suffering for some good purpose and was therefore very patient. He believed that God would heal him in His own good time, then when death struck him he realized that fact, and rumor reports that his last words were "Glory to God I am healed." He leaves a father, mother, three sisters, Mesdames Ransom Pierce, Shirbe Nelson, George Spencer, and two brothers A. E. and Ed Farlow. Those with a host of relatives and friends will miss Woodie, but we feel that our loss means gain for him, and his death is a reminder that we must some day, sooner or later, go thru the same channel which he went and give an account of our stewardship here below. And what shall our answer be?
A Friend.

OBITUARY

Mrs. Crissie Smith Spencer
Mrs. Crissie, widow of the deceased Felix Spencer, departed from our midst Saturday, June 21, 1919, after an illness of several months, not serious but a few days. She was near eighty years of age, so was very feeble and in her attempt to stir about, fell Thursday June 19th hurting her self badly. She never rallied from the fall, but kept sinking until about three o'clock Saturday P. M. when she quietly passed into the great beyond. Her death was a shock to the majority of her friends, which were numerous, and therefore doubly saddened because the friend-ship was so suddenly severed. Crissie had spent most of her life at the home where she died and her existence will be greatly missed by the people of the community. She was a devout woman, highly respected by all who knew her. She lived a quiet, modest life which could be well used for a pattern in the present age.
Her husband preceded her to the great beyond, several years ago and since then she has lived at her home, with her niece Miss Pearl Crowson, as a companion. Pearl will sadly miss her aunt, but she can only look to Him who doeth all things right and well. She is left to prepare for that happy meeting on that great day of days. Crissie is also survived by one sister, Mrs. Thad Crowson, and a host of other relatives, all of whom have the sympathy of the surrounding community in their bereavement.
Interment took place in the Gilead cemetery Sunday afternoon, funeral services being conducted by Rev. Mr. Robbins, of High Point. The mound was covered with beautiful flowers, which spoke words of high respect for the dead, and love and encouragement to the living. We are again reminded that we, too, must pass from life unto death, and from labor to reward, and may we be faithful and true until we receive our summons, for in His word we find this promise: "Be thou faithful unto death and I will give thee a crown of life."
An Acquaintance

NOTICE

Mortgage Sale

By virtue of the powers contained in a mortgage deed executed May 21st, A. D., 1917, by K. W. Boggs and M. E. Boggs, his wife, to Lucy E. Gillette Tires and Tubes

Last to Wear Out Lowest in Mileage Cost

THE next time you need a new tire or new tube, try a GILLETTE TIRE and tube made the new improved way—the Gillette Chilled Rubber Process. Watch and see which tire or tube gives you the greatest service value. In tests of this kind—the only dependable method of determining mileage—Gillette Tires and Tubes are invariably the last to wear out—lowest in mileage cost. The Gillette Chilled Rubber Process toughens rubber so it will stand up longer under the most severe conditions. Gives resistance that insures longer life. The Gillette Chilled Rubber Process is the only one of its kind.

Nature and the Indian

The Indian never liked work but he wanted his squaw to get well as soon as possible so that she could do the work and let him hunt, therefore he dug papoose root for her, for that was their great remedy for female weaknesses.

Dr. Pierce uses the same root—called Blue Cohosh—in his "Favorite Prescription" skillfully combined with other agents that make it more effective.

Women who are worn out, who suffer from pain at regular or irregular intervals, who are nervous or dizzy at times, should take that reliable, temperance, herbal tonic which a doctor in active practice prescribed many years ago. Now sold by druggists, in tablets and liquid, as Dr. Pierce's Favorite Prescription.

Send 10c. to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial package.

JACKSON, Miss.—"Dr. Pierce's Favorite Prescription is a good medicine and I have recommended it many times to women who suffer. This medicine was a great comfort to me after motherhood. The doctor seemed unable to give me any relief or help, but I had very prompt relief as soon as I started to take the 'Prescription.' It cured me of my trouble and restored me to a perfect state of health, and that is why I do not hesitate to speak a good word for Doctor Pierce's Favorite Prescription whenever I have an opportunity."—Mrs. K. G. SUTHERLAND, 209 Polkstreet Street.

"Meats in Storage"

Every working day of the year 75,000,000 pounds of meat are required to supply home and export needs—and only 10 per cent of this is exported.

These facts must be kept in mind when considering the U. S. Bureau of Markets report that on June 1, 1919, there were 1,348,000,000 pounds of meats in cold storage. If the meat in storage was placed on the market it would only be 20 days' supply.

This meat is not artificially withheld from trade channels to maintain or advance prices.

Meats in storage consist of—

- 65 per cent (approximate) hams, bacon, etc., in process of curing. It takes 30 to 90 days in pickle or salt to complete the process.
- 10 per cent is frozen pork that is to be cured later in the year.
- 6 per cent is lard. This is only four-fifths of a pound per capita, and much of it will have to go to supply European needs.
- 19 per cent is frozen beef and lamb, part of which is owned by the Government and was intended chiefly for over-seas shipment. If this were all diverted to domestic trade channels, it would be only 1 1/2 lbs. per capita—a 3 days' supply.
- 100%

From this it will be seen that "meats in storage" represent merely unfinished goods in process of curing and the working supply necessary to assure the consumer a steady flow of finished product.

Chamberlain's Colic and Diarrhoea Remedy.

Some kick on everything, while others pay the air about nothing. Between the two you can find some common sense.
Now is the time to buy a bottle of this remedy so as to be prepared in case that any one of your family should have an attack of colic or diarrhoea during the summer months. It is worth a hundred times its cost when needed.

Some kick on everything, while others pay the air about nothing. Between the two you can find some common sense.

Cause of Despondency.

Despondency is often caused by indigestion and constipation, and quickly disappears when Chamberlain's Colic and Diarrhoea Remedy is used.

JOYFUL EATING

Unless your food is digested without the aftermath of painful acidity, the joy is taken out of both eating and living.

KI-MOIDS

are wonderful in their help to the stomach troubled with acidity. They remove the excess of acid and
