In Loving Memory

Little Curtis Elkanah Graves was born, March 29, 1917, and departed this life May 14, 1919, aged 2 yrs. 1 month and 16 days.

He was the little son of Mr. and Mrs. F. E. Graves, of Seagrave Route one.

Curtis was bright little boy and gained the hearts of many friends and always wore a smile. But yet we know God is too wise to make any mistakes and he needed one more jewel to brighten heaven. While our hearts are made sad the angels are made glad to beckon one more jewel home. Dearest Curtis thou hast left us From this world of grief and woe. Gone to heaven to join the angels, In that land as white as snow. Oh! Dear Curtis how we loved you. But we can not call you back. But we hear you feet go patter as you climb the golden steps. Curtis we will try and meet you. Yes we're coming some sweet day. To see Jesus and the angels and our happy darling child.

Obituary

Nancy R. Craven was born February 12, 1857, and died June 19, 1919, aged 62 years, 5 months, and 7 days.

She professed faith in Christ when about sixteen years of age, and joined the M. P. church at Grays Chapel, remaining a member of that church until her death.

She was a great sufferer, having been an invalid for over fourteen years. However, she bore her afflictions with patience and resignation, and we feel that she has reached her reward. A few days before her death, she said she would be glad to die. When asked if she was ready, she said she didn't see anything in the way. She said she had spent the greater part of the past year in prayer and felt that her prayers had been answered. She said many times, "Oh, I want to go home," and her constant prayer was, "Lord, take me" and "Lord, have mercy on me."

Her family and all who knew her have the blessed assurance that all is well. We bow in humble submission to the will of Him who doeth all things well.

The funeral service was conducted by the writer. J. F. ALLRED.

Died

Mr. Giles Cross, a Confederate Veteran, died recently, at his home near High Rock, Davidson county, aged 93 years.

London Paper Praise Pershing

The following extract from the London Morning Post of June 28th will be of interest to members of the 30th Division and to all admirers of General Pershing:

"We believe it to be correct that on no single occasion did President Wilson and his advisers transmit to General Pershing any plans of campaign, suggestions or criticisms, and can almost say that this constitutes a record and that to no commander in the field was ever left so free a hand.

"General Pershing merited the great and sustaining confidence that was reposed in him. We honor General Pershing because he looked to the end and aimed at it successfully in the midst of frightful difficulties. His competence and character have stood the test in the seven times heated furnace of war and he richly deserves all the honors that can be bestowed upon him.

"For all time to come we shall remember those American troops who fought so valiantly, shoulder to shoulder with us, on the British front and stood ready in rear to support us in case of need. These things go deep into hearts of nations and General Pershing will always personify for us the fine spirit of soldierly comradeship in which America fought the great war in France."

LIFT OFF CORNS!

Apply few drops then lift sore, touchy corns off with fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.
