

"FAKE" ASPIRIN WAS TALCUM

Therefore Insist Upon Genuine "Bayer Tablets of Aspirin"

Millions of fraudulent Aspirin Tablets were sold by a Brooklyn manufacturer which later proved to be composed mainly of talcum powder.

Ask for them and then insist upon "Bayer Tablets of Aspirin" and always buy them in the original Bayer package which contains proper directions and dosage.

Aspirin is the trade mark of Bayer Manufacture of Monacetelester of Salicylicacid.

Finding Jobs For Soldiers

It's not much of a task to place returned sailors and soldiers who have a trade, according to Col. H. Bowman, who has taken over the war camp community's employment service at the Greensboro Chamber of Commerce.

Now these boys are out of the service and have no jobs. They leaved the fire of the Huns anywhere from a few days to months. They offered their lives and gave their time for the service of their country asking nothing.

Starts Your Liver Without Making You Sick and Can Not Salivate

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults.

It doesn't grip or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated.

BANKS TO SAFEGUARD BONDS AND STAMPS

Are Ready to Protect Securities of Small Investors Free or For Nominal Charge.

In buying Liberty Bonds, Victory Bonds, Thrift and War Savings Stamps the people of the United States have done more than perform a patriotic duty—they have invested in the soundest securities in the world, gold obligations of the United States of America.

But the safeguarding of these securities has become a problem for many folk. Only a few persons, relatively, have either a safe in the house or office, or a safe-deposit box in the vaults of the bank.

There may be no further call for the people at large to subscribe to huge bond issues, but the government needs the daily and weekly sums which come in from the sale of Thrift and War Savings Stamps for taxes must be kept down.

Steps have been taken, however, to meet this situation. First, every bond or stamp certificate may be registered with the Treasury Department.

And the second method for safeguarding has been provided by the banks themselves. Every bank—national bank or savings bank—and every trust company has, of course, ample and secure vaults.

SUCCESSFUL DOLLARS ARE THOSE WORKING

Invested in War Savings Stamps They Never Fail to Yield You Handsome Profits.

It is the dollar that goes to work that is the successful dollar. The idle dollar is a failure. The successful dollar brings back another dollar with it.

But the careless dollar goes off somewhere and is never seen again. A Texas man the other day lost a life-time's savings—\$786. His dollars had gone off in the pockets of two fake stock promoters.

Hundreds of years ago a man to whom a handful of money had been trusted buried it all in a napkin. He got no increase—he did not even keep what he had.

The dollar that succeeds is energetic—and careful. War Savings Stamps do more than save your dollars. They put them to work at compound interest. And they never fail. Your government guarantees every one of them.

A man once bought Manhattan Island for \$24. He had the \$24. Buy War Savings Stamps and be ready.

Provide a silver lining for the coming cloud. War Savings Stamps will do it.

WAR SAVINGS STAMPS MADE HOME POSSIBLE

Man Who Suddenly Found Himself Without Roof Over Head Was Able to Buy Property.

This true story tells how War Savings Stamps built a sure protection around one Washington war worker and his family.

Early in the war savings campaign he began a small systematic investment in Thrift Stamps, which ultimately grew until he had an investment of \$100.

Presently this incidental money became scarce. The war worker and his family felt the burden of the wartime high cost of living, and the anxiety and expense of extraordinary illness of the two children.

His residence had been sold and he and his family were asked to vacate. He could find no houses for rent within his means, and was confronted with the necessity of leaving the city or buying a home for his family.

Then he thought of his War Savings Stamps. He remembered they were redeemable on ten days' notice, with accrued interest.

Recently he refused to sell it for \$1,200 more than the purchase price. This man is a War Savings Stamp enthusiast—and he is on the straight road to financial independence.
