

Welborn's Precedent Shattering Event Now in Full Blast

The August Furniture Sale which started Saturday, August 9th, and which will continue throughout the month, is right now at the height of its usefulness to the thrifty people of the city who wish to complete the furnishings of their homes.

A Reduction of 25 Per Cent For Cash

Prevails throughout our store, each and every line of the mammoth stock being included. Every article of furniture in our big stock goes at the reduction of ONE-FOURTH. No goods will be sold on credit at sale prices. Bring your cash here and it will buy more goods, better goods, prettier goods than the same amount would buy elsewhere in the country.

Stocks Must Be Moved

We have entirely too much furniture and it must go, and we depend upon the low prices that prevail to move it. Come today and get your share, and save from 35 to 50 per cent. by patronizing this store out of the high rent district.

Cash Has the Call During this Sale

We need money, just like a lot of folks, and our need for coin of the realm is one of the prime objects of this sale. So don't ask us for credit when buying at sale prices.

Our Tremendous Stocks

Consist of everything that is desirable and essential for the home. There is not an article of furniture required to complete the furnishing of your home that is missing from our stocks. We advise you to act quick for a two-fold purpose—get what you want and save money.
