Mother Goose Down to Date!

Jack and Jill, and Tom and Bill
Went motoring up the steep!
They set out to reach the topmost top
To take a "lofty" peep!
They went to the top as slick as an eel,
Without a hitch or a jumble;
They had "GREEN FLAG" OIL in the motor, you see,
So there wasn't a chance to grumble!

While climbing mountain peaks in a motor is more the exception than the rule, it's mighty good to have the satisfaction of knowing the brand of motor oil that will keep your engine running the smoothest, and with the least possible deflection in efficiency, and power, when you want to "take a shine" up the mountain. Remember, the oil for power is

GREEN FLAG MOTOR OIL.

Whether you're running on the level, or up and down the hill, you'll find for satisfaction, "GREEN FLAG" will "fill the bill!"

DON'T FORGET THAT OIL IS THE LIFE OF YOUR MOTOR. More than that—it requires the best grade of oil to keep it "living" longest.

There are some "live" dealers in this County who are exclusive agents in their town for "GREEN FLAG" MOTOR OIL. It will pay you well to hunt around town till you find him. Because he sells "GREEN FLAG" MOTOR OIL, the best you can buy. "GREEN FLAG" MOTOR OIL is for sale in this County by the following well-known and reliable dealers:

Nature and the Indian

The Indian never liked work but he wanted his squaw to get well as soon as possible so that she could do the work and let him hunt, therefore he dug papoosa root for her, for that was their great remedy for female weaknesses.

Dr. Pierce uses the same root—called Blue Cohosh—in his "Favorite Prescription" skillfully combined with other agents that make it more effective.

Women who are worn out, who suffer from pain at regular or irregular intervals, who are nervous or dizzy at times, should take that reliable, temperance, herbal tonic which a doctor in active practice prescribed many years ago. Now sold by druggists, in tablets and liquid, as Dr. Pierce's Favorite Prescription.

Send 10c. to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial package.

JACKSON, MISS.—"Dr. Pierce's Favorite Prescription is a good medicine and I have recommended it many times to women who suffer. This medicine was a great comfort to me after motherhood. The doctor seemed unable to give me any relief or help, but I had very prompt relief as soon as I started to take the 'Prescription.' It cured me of my trouble and restored me to a perfect state of health, and that is why I do not hesitate to speak a good word for Doctor Pierce's Favorite Prescription whenever I have an opportunity."—Mrs. K. G. SUTHERLAND, 206 Poindexter Street.

A NERVOUS WRECK

From Three Years' Suffering, Says Cardui Made Her Well.

Texas City, Tex.—In an interesting statement, Mrs. G. H. Schill, of this town, says: "For three years I suffered untold agony with my head. I was unable to do any of my work."

I just wanted to sleep all the time, for that was the only ease I could get, when I was asleep. I became a nervous wreck just from the awful suffering with my head.

I was so nervous that the least noise would make me jump out of my bed. I had no energy, and was unable to do anything. My son, a young boy, had to do all my household duties.

I was not able to do anything until I took Cardui. I took three bottles in all, and it surely cured me of those awful headaches. That has been three years ago, and I know the cure is permanent, for I have never had any headache since taking Cardui.

Nothing relieved me until I took Cardui. It did wonders for me."

Try Cardui for your troubles—made from medicinal ingredients recommended in medical books as being of benefit in female troubles, and 40 years of use has proven that the books are right. Begin taking Cardui today. NC-134

Ice Cream and Soda

The high cost of living is coming down with a run. The Republican party pledged itself to repeal taxes and reduce the cost of living, and it is grandly redeeming its pledges. It has voted to take the war taxes off ice cream and soda. The cost of living in hot weather will promptly descend.

But the task has been exhausting. Congress, of course, feels tired after removing the taxes on ice cream and soda, and it needs to rest and recuperate. On Saturday it will take a recess for five weeks. It has not exactly cleared its docket. It has not redeemed all the pledges on which it was elected; but the repeal of the taxes on ice cream and soda have left it weary and overheated, and it is absolutely necessary for it to relax. No one realizes how very soon a Republican Congress gets very tired.

Mr. Wingo, of Arkansas, heartlessly reminded his Republican colleagues that they went to the country on a promise to repeal a lot of taxes. Mr. Fordney "came in here with certain repeal legislation, and what happened to that? The Steering Committee kicked him out." And then the unfeeling Mr. Wingo proceeded to say:

You got this House under false pretense. What have you done? You have organized a few smelling committee and growled at the President, and you are investigating the high cost of war. But you are dodging like a mule on the highway the high cost of living.

This is not quite just. The House has taken a firm hold of the high cost of living and reduced it by taking the war taxes off ice cream and soda. There are other tasks before Congress; there is railroad legislation and the Soldiers' and Sailors' Land bill, the Water Power bill, the budget system, army reorganization and shipping. Mr. Mondell does not deny these things, but he replies that the weather is hot and Congressmen are tired, and they will work better when they get back from a vacation of five weeks.

If the House were in session during that time there are various measures that might be taken up and considered, but we will be in better conditions to work when we return.

Last winter the Republican Congressmen went on a strike against the Government. They left the appropriation bills unpassed in order to compel the President to call a special session immediately. They were only partially successful. The extra session was not called immediately, but it had to be called before the end of the fiscal year because the Republicans had sacrificed the national interest to their own partisanship and left the Government with out resources. So the special session had to be called, and after dawdling along for a few weeks Congress takes a recess for five weeks, which shows how urgent it regarded the reasons for an extra session. But it has achieved one great result; it has voted to take the war taxes off ice cream and soda. Philadelphia Record.
