

AROUND THE WORLD WITH THE AMERICAN RED CROSS. Home Service.

One of the finest constructive activities of the American Red Cross in the war was Home Service in the United States, the friendly connecting link between the soldier far from home and his loved ones.

BEAVER BOARD FOR BETTER WALLS & CEILINGS

Beaver Board the Dining Room and You'll Want it Throughout the House

One Beaver Board room in the house and you'll want more. For the new home, for remodeling or repairing the use of this knotless, crackless manufactured lumber will settle the question of walls and ceilings once and for all time.

Beaver Board is a product of the forests. From the pure fibres of the white spruce it is built up into large sturdy panels ready to be nailed to the studs of new buildings or direct-ly over old cracked and papered walls.

Having an ideal surface for painting and decorating, which gives a final result as durable and lasting as the wood work, is more economy. The fact you will never have the wall and ceiling job to do again is "economy plus." Come and see us about Beaver Board now.

HOME BUILDING & MATERIAL COMPANY Asheboro, N. C.

To the Motorists of Randolph County

We invite you to make our place your headquarters when in High Point.

If your car needs attention we have skilled mechanics.

A full stock of accessories.

I am looking for your reply with great interest and anxious to serve you.

R. B. RODGERS

DRY CLEANING AND DYE WORKS

608-610 North Main St. Danville, Va.

Needed Protection

Keep your body well nourished and strong and there is little danger. It's essential that you keep up your resistance. There are thousands of families who would not dream of being without the protection that

SCOTT'S EMULSION

affords. The right idea is to start in the fall with Scott's Emulsion and be protected for a strenuous winter. It's Scott's you ask for.

The Norwegian cod-liver oil used in Scott's Emulsion is super-refined in our own American Laboratories. Its purity and quality is unsurpassed. Scott & Bowne, Bloomfield, N. J.

ATHLETIC CONTEST OF SCHOOLS AT FAIR

Every School in Randolph County Is Requested to Participate in the Contests of the County Fair, November 1, 1919.

Each school in the county may enter one contestant in as many contests as the contestant cares to compete, or each school may be represented in each contest by a different contestant. All the contestants are required to have enrolled twenty days before the date of the contest.

Pupils below the eighth grade may enter the following contests: High jump, standing; broad jump with running start; broad jump, standing; hundred yard dash, and one-fourth mile run open to all grades.

The parade is to be at 11 o'clock, November 1, and every school in the county is expected to be present and take a part in it. The school children who participate in the parade will not have to pay for going into the fair grounds.

All who expect to participate in the contests, please notify A. W. Lynch, Rameur, N. C., before October 30th, 1919.

The county fair association extends to all the teachers of the county an urgent invitation to be present and bring your pupils with you, and help make the fair a grand success.

Bethany Music Club

On last Wednesday, afternoon the Bethany Music Club was organized at Bethany High School under the instruction of the music teacher, Miss Weatherly.

The following officers were elected: Miss Ruth Humphreys, president; Miss Sadie Pearman, vice-president; Miss Dora McCollum, recording secretary and treasurer; Miss Crutchfield, reporting secretary.

After the officers were elected Miss Weatherly made a short talk on "Little Things Which Are Important to the Music Student."

The following program was read, which shall be rendered at next meeting:

Song—Star Spangled Banner. Why Children Should Study Music, by Dora McCollum.

Little Things, by Mamie Lester. Music in War and Peace, by Miss Crutchfield.

Discouragement, by Rhodalia Simpson. Dead Pianos, by Sadie Pearman.

Essay on Berlioz, by Ruth Humphreys.

After the program was read other matters of business were discussed, then the meeting adjourned to meet again on Wednesday, October 15, at four o'clock.

We have an enrollment of 28, which is the largest class Bethany High School has ever recorded. With this encouragement, together with individual effort of each member we are hoping for much success during this year. MABEL CRUTCHFIELD, Reporter.

Sour Stomach

Eat slowly, masticate your food thoroughly, abstain from meat for a few days, and in most cases the sour stomach will disappear. If it does not, take one of Chamberlain's Tablets immediately after supper. Red meats are most likely to cause sour stomach and you may find it best to cut them out.

LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Frezono costs but a few cents at any drug store. Apply a few drops on the corn, calluses and "hard skin" on bottom of feet, then lift them off. When Frezono removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

TO RAISE \$80,000 FOR Y. M. C. A.

ACTIVITIES TO BE EXTENDED TO SMALL TOWNS AND RURAL COMMUNITIES.

SECRETARY DANIELS INCORPORATES MOVEMENT

Thinking People of the State Enthusiastic Over the New Program of Work, Which Will Carry and Promote Wholesome, Inspiring Influences in High Schools, Industrial Communities and Colleges As Well As in Cities and Towns—To Produce High Ideals of Citizenship.

Charlotte, N. C.—A campaign for \$80,000 is being waged throughout North Carolina beginning October 20 and ending October 30, to provide funds with which to very greatly extend and enlarge the activities of the Y. M. C. A. in the state.

A splendid organization has been built up during the past few weeks by Mr. E. G. Wilson, director of the financial drive, and officials of the association are confident that the public spirited, thinking people of the state will rally to so manifestly important and pressing a call.

An Ambitious Program.

The new program of the Y. M. C. A. contemplates these activities:

The inauguration of social, educational, recreational and religious activities in small towns and rural communities.

The extension of its work in industrial communities.

The extension of its work in colleges.

The inauguration of a program of work in the several hundred high schools of the state.

The establishment of two permanent boys' summer camps, one in western and one in eastern Carolina.

Assistance to the International Committee in the prosecution of pressing work in foreign fields.

Aid to the Y. M. C. A. College at Nashville, Tenn., where expert workers will be trained for Y. M. C. A. work.

To Develop Community Leaders.

Probably no feature of the new program has attracted more attention than the prospective work in small towns and rural communities. This feature of the enlarged work has been especially insisted upon and emphasized by service men who have returned to their homes in these towns and rural communities after having an opportunity to see the effectiveness and wholesomeness of "Y" activities in the army camps and in France. Four or five counties are already arranging for whole time secretaries to take up this work which will be extended rapidly.

Importance of Boys Work.

There are more than 300,000 boys in North Carolina between the ages of 12 and 20 years. The future of the state will be determined by those 300,000 boys. Thinking men in the state who are strongly supporting the Y. M. C. A. in its new program believe that "Y" activities in industrial communities, high schools, colleges and in towns and rural communities, as well as in the cities, are of the opinion that no agency and no factor can be so instrumental in promoting high ideals of citizenship as the Y. M. C. A. Work among the boys is to be emphasized everywhere—in cities, industrial communities and rural districts, as well as in high school and college.

Distinctly Southern.

The new movement of the Y. M. C. A. is distinctly Southern. The idea was conceived by Southern Y. M. C. A. workers at a conference several months ago and it has been worked on and developed to such a point that it has received the hearty and enthusiastic endorsement of the substantial citizenship of the entire state. From this citizenship must come the voluntary contribution of \$80,000 which is necessary to put on the new program of work.

Secretary Daniels Endorses.

Probably no well known American has had greater opportunity to see the "Y" tested under trying conditions than Secretary of the Navy Josephus Daniels. Secretary Daniels a few days ago wrote the following:

"I am greatly interested in the South wide campaign now being launched by the Young Men's Christian association. I have had excellent opportunity both in this country and among our soldiers and sailors abroad to assess the value of the service rendered this organization to the young men in the army and navy and in civil life. It makes an appeal and furnishes inspiration, instruction and education to young men which is invaluable. An investment in this service to young men will pay a dividend larger than we can ever compute."
