DO YOU THINK THE WAR IS OVER?

THEN WHAT ABOUT The 250,000 disabled fighting men? The 800,000 American boys who were "unfit for service"? The ONE American baby out of SEVEN that dies its first year? The 200,000 people who die annually from "T. B."? The 500,000 who would die in amother influenza pidemic like the last? The 300,-000 children under five who die annually from preventable diseases, The thousands of children and hundreds of teachers forced out of school by physical defects? The accidents that kill 100,000 and disable 500,000 annually? The ONE adult in SEVEN known to be in need of medical treatment? The 7,000 people who drown every year in

American waters?

You Know What the Red Cross Did in

The War
THE RED CROSS IS NOW—
Watching over 125,000 sick and
wounded American soldiers in 57 hospitals in this country;

Maintaining active relief commis-sions abroad, from the English chan-nel to the far eastern coast of Sibe-

Spreading knowledge of public health with the determination to put in every American home one person capable of caring for the sick;

Extending instruction in first aid to reach all the schools and factories in the land;

Organizing and conducting Volunteer Life Saving Corps to combat an anual loss of 7,000 lives by drowning; Holding itself prepared at a moment's notice to give accor to may community or people stricken by sudden disaster;

Teaching patriotism and service to the youth of the nation through the Junior Red Cross;

Protecting the interests of discharged soldiers in trouble or discouraged by lack of a job or by illness or want in their families; adjusting their insurance, allotments and other business with the government;

Helping the families of American soldiers who must be away from home because they are in service or hospit-

THE RED CROSS WILL—
Build up an organization of trained nurses and capable volunteers that will make epidemics almost impossi-

Provide care for mothers and babies and thus save for usefulness thous-ands of little lives now sacrificed because of ignorance;

Arouse every county in the United States to the necessity of securing a public health nurse, whose services will be available to the entire community, rich and poor alike;

Extend relief to communities overwhelmed by fire, pestilence, floods and

other catastrophes; Develop a Home Service Section now devoted to the care of the familica of soldiers and sailers to an organization devoted to the care and cial needs of entire communities

Co-operate with all existing welfare agencies with no attempt to suplant any, but to prevent overlapping and focus the works and aims of all to the accomplishment of greater results.

Indigestion, Acidity, Sourness and Gases ended with "Pape's Diapepsin"

needless to be bothered with indigesach. A few tablets of Pape's Diapepsin neutralize acidity and give relief

when your meals don't fit and you feel uncomfortable, when you belch gases, acids or raise sour, undigested food. When you feel lumps of indigestion pain, heartburn or headache, from acidity, just eat a tablet of Pape's Diapepsin and the stomach distress

The cost is so little. The benefits so great. You, too, will be a Diapepsin onthusiast afterwards.

LITTLE BOY FALLS INTO WELL

On Tuesday of last week one of the most marvelous things occurred, that has ever been witnessed by the human eye, when the little two year old boy of Lester Reddick, of Millboro, fell into a well 42 feet deep. The little boy's mother came in sight of the child just in time to see the heels of the lad go out of sight down into the well, and at the sight she commenced to scream for help, and Mr. Wesley Routh, who happened to be near, came to the rescue of the lad. He at once drove a large nail in the end of a long lath, and went down into the well; but when he reached the surface of the water the little fellow nad gone to the bottom. He stuck the lath, with the nail in the end of it, down DOODOOOOOOOOOOOOOOOOOOO into the water, and caught the clothing of the child, and pulled it to the surface of the water. Before Mr. Routh reached the top of the well, with the little fellow he could see
