LIFT OFF CORNS!

Apply few drops then lift sore, touchy corns off with fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic! A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

LISTEN, THINK, ACT!

To Leading Women of Each Township of Randolph County To mothers God and man have in a large degree entrusted the health of their family and not theirs only but that of their neighbor, community, county, state. Recent laws give to each county the right to a tuberculosis specialist to be located at the county seat to whom all suspects may be taken for examination and advise as to treatment, etc. The Board of Health is not expected to demand this specialist unless requested to do so by the townships of the county. Therefore, I ask, beg, beseech the leading women of every township in Randolph county to see that a request for such a specialist is sent to the Board of Health of Randolph county at Asheboro, at once. Through the efforts of our county nurse, Mrs. Hargraves, who is a very bright, intelligent woman, well equipped and full of enthusiasm in her work, Randolph is, we believe, the first county in the state to have a tuberculosis clinic. Let her also be the first (unless other counties already have them) to have a specialist in that line located at our county seat. I am sending such a petition to the Board of Health in this mail according to a promise made to Dr. Spruill of Montrose, who, by the way, gave us most interesting and instructive talks on that subject. This, too, was through the efforts of Mrs. Hargraves, whom I would say here that Guilford is already trying to take away from us. Just a few years ago, a bright, attractive young girl graduated from the high school here, whom I warned and begged her and her mother to go to a physician and take every precaution, but they would not listen; and I hear now that she must give up her work and go to Montrose, and, we hope, get well if it is not too late. Mothers of Randolph, do not let this be the way with any of your or your neighbors' families. Remember, God may hold you responsible for the work these young people are intended to do in His world. GRIMES EXPLAINS POSITION

Secretary of State J. Bryan Grimes, when informed of the seizure of a car in Virginia carrying North Carolina license with factory number mutilated and the arrest of the owner, declared that this is a matter in which North Carolina has no concern. "In my recent letter to the Secretary of the Commonwealth of Virginia," said the Secretary of State, "I was in no way attempting to protect any citizen of North Carolina who violates the law of Virginia. I was only protesting against a threat which, if carried out, would work a tremendous hardship upon innocent and law-abiding North Carolinians."
