YOUR COLD EASED AFTER FIRST DOSE

"Pape's Cold Compound" then breaks up a cold in a few hours

Relief comes instantly. A dose taken every two hours until three doses are taken usually breaks up a severe cold and ends all the gripe misery.

The very first dose opens your clogged up nostrils and the air passes in the head, stops nose running, relieves the headache, dullness, feverishness, sneezing, soreness, and stiffness.

Don't stay stuffed-up! Quit blowing and snuffling! Clear your congested head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which cost only a few cents at any drug store. It acts without assistance, tastes nice, contains no quinine—Insist upon Pape's!
