QUICK! YOUR HAIR NEEDS "DANDERINE"

Check ugly dandruff! Stop hair coming out and double its beauty

A little "Danderine" cools, cleanses and makes the feverish, itchy scalp soft and pliable; then this stimulating tonic penetrates to the farnished hair roots, revitalizing and invigorating every hair in the head, thus stopping the hair falling out, or getting thin, dry or fading.

After a few applications of "Danderine" you seldom find a fallen hair or a particle of dandruff, besides every hair shows new life, vigor, brightness, more color and thickness.

A few cents buy a bottle of delightful "Danderine" at any drug or toilet counter.
