In Memory of Little Robert Lee Baldwin

It was sad indeed when the death angel entered the home of Mr. and Mrs. R. E. Baldwin and took away their only son, Robert Lee Baldwin. He was born September 2, 1918, and died May 16, 1920, age 1 year 8 months and 14 days.

He leaves behind his father and mother and two sisters, Stella and Esther Baldwin and grandparents, Mr. and Mrs. W. D. Moffitt and other relatives and friends to mourn their loss. One little sister preceded him to the glory world several years ago.

Robert Lee was a sweet child, and to know him was to love him. God knows best and took the little fellow away for our good and his glory. May we be able to say: "Thy will be done."

We extend to his loved ones our sympathy, and implore God's richest blessings upon each of them. A true friend.

CARD OF THANKS

We want to express our thanks and appreciation for the sympathy expressed in so many ways and the kindness shown by our friends and neighbors during the illness and death of our wife and daughter, Mrs. Pearl Free Brady.

Best Remedy for Stomach Trouble

"I am pleased to have the opportunity to say a good word for Chamberlain's Tablets," writes Mrs. Mamie Bertel of Moberly, Mo. "I think they are the best remedy for stomach troubles, biliousness and constipation I have ever used. I have taken them off and on for two or three years and they always relieve indigestion, tone up the liver and make me feel fine."

MRS. JOSEPHUS DANIELS SPEAKS IN GENEVA

In her speech before the International Woman Suffrage Congress at Geneva, Switzerland, Mrs. Josephus Daniels, official delegate from the U. S. Government, said:

"It is my glad privilege to bring to this gathering the greetings of the women of America (and of the men of my country, too) and to rejoice that the good day of woman's equal participation in governmental house-keeping has come in our regeneration. Appointed by President Wilson, under whose forward-looking leadership, the cause of woman suffrage in the United States has come to fruition, I am bringing to you his greeting and felicitations and his confident belief that enfranchised woman will bring fresh and spiritual ideas to aid in the solution of pressing world problems.

"The women of America were as truly mobilized in the world war as were the men. We organized no Battalions of Death and we were not enrolled in the fighting forces. But we organized many battalions of life and service, happy to be comrades in spirit and sacrifice of our brothers whose valor on sea and land helped us to win victory for all we held dear. Never again will an Edith Cavell be murdered by soldiers, for thousands of Florence Nightingales and Clara Bartons have so glorified woman's nursing and woman's help that the hardest heart has been warmed toward our whole sex, glorified by unselfish service. The war lifted us out of narrow thoughts and petty things.

KEEP THE KIDNEYS WELL

Health is Worth Saving, and Some Asheboro People Know How to Save It.

Many Asheboro people take their lives in their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill health—the slightest delay is dangerous. Use Doan's Kidney Pills—a remedy that has helped thousands of kidney sufferers. Here is an Asheboro citizen's recommendation.

Mrs. J. C. Ingold, N. Fayetteville St., says: "About a year ago I had a tired aching in the small of my back and severe headaches. My kidneys didn't act properly and I was tired and languid. Hearing of Doan's Kidney Pills I got a box at the Standard Drug Co. and they brought me wonderful relief. I take a few Doan's occasionally and they keep me feeling fine."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Ingold had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

rest, in which men and women have not recovered from the shellshock and gasping of the war. What is needed first of all, is bandaging the wounds, healing the mind, giving courage to the soul and imparting hope and confidence to the spirit. All things are possible to those who have faith. Women demonstrated in the war that they could do new things and do them well.

MARRIED

Miss Minnie Brookshire, a daughter of Mr. and Mrs. Charles Brookshire, of Mt. Gilead, and Mr. Charles S. Green, of Portsmouth, Virginia, were quietly married in Charlotte, one day last week. The ceremony was performed at the house of the bride's aunt, Mrs. F. M. Winchester, by Rev. W. A. Jenkins, pastor of Trinity Methodist church. Mr. and Mrs. Green left immediately after the ceremony for a trip, after which they will be at home in Portsmouth, Virginia.

Booze is Not a Good Cure

(From the Ames Iowa Intelligencer) When a man comes to you all doubled up with pain and declares he will die in your presence unless you procure him a drink of whiskey, send him to a doctor, or else give him a dose of Chamberlain's Colic and Diarrhoea Remedy. There is a mistaken notion among a whole lot of people that booze is the best remedy for colic and stomach ache.

We had the vision of larger duty and supreme consecration.

"What women did in war hastened the conferring of the ballot. In our country the day of agitation for enfranchisement has passed. The hour has come when we must prove by deeds that we accept our new duties with a sense of our obligation to measure up to our new and high mission. We come into kingdom in a day of world un-

Cut This Out and Take it With You

A man often forgets the exact name of the article he wishes to purchase, and as a last resort takes something else instead. That is always disappointing and unsatisfactory. The safe way is to cut this out and take it with you so as to make sure of getting Chamberlain's Tablets. You will find nothing quite so satisfactory for constipation and indigestion.

What a lot of argument there used to be about a woman driving an automobile

TODAY she can "make a train" or fix a tire as well as anybody.

As soon as a luxury becomes a necessity the point of view changes.

Two or three years ago you would have listened to more varying opinions about tires than you could shake a stick at. Mileages, construction, treads and whatnot.

It's different now. Tire users are working towards a unanimous feeling.

You express it one way—the man down the street another. But sifted down it amounts to this:

That the only way to settle

your tire problem is to get a tire of known value and stick to it.

We recommend and sell U. S. Tires because their value is known.

There's no guess about it.

It was the U. S. quality policy which led to the perfection of the straight-side automobile tire, the pneumatic truck tire—two of the greatest additions to tire value that have ever been made.

As representatives of the oldest and largest rubber concern in the world, we are in a position to tell you something about tire values. Come in some day and talk to us.

Select your tires according to the roads they have to travel:

In sandy or hilly country, wherever the going is apt to be heavy—The U. S. Nobby.

For ordinary country roads—The U. S. Chain or Usco.

For front wheels—The U. S. Plain.

For best results—everywhere—U. S. Royal Cords.
