# WE ARE EXHIBITING A WONDERFUL COLLECTION OF NEW SPRING DRESSES and SUITS JUST PURCHASED IN NEW YORK BY OUR BUYER

# CHARMING SPRING FROCKS ARE EARLY ARRIVALS

An occasion of more than usual interest due to the fact that the prices are so much lower than any time in the past few years. Right at the first of the season. As crisp and refreshing as a bundle of new spring blossoms are these new gowns for semi-dress wear.

Made of multi-colored silks and satins, in charming models. Each one seems to be specially designed for some stylish maid or matron-as though your own clever dressmaker had created it just for you.

Styles are delightfully original. The materials have been chosen with much taste and discrimination. The workmanship and finish are above criticism. Chief charm of all is their becomingness when you try them on.

Believe the Ground Hog or not, you must recognize the inevitableness of the calendar. Winter is going rapidly now, and the well dressed woman is eager to lay aside the apparel of winter.

We are early with our aid. The fullest enjoyment of the new Spring Suit comes on the first day that it can be comfortably worn.

Like the first robin or the first arbutus bud, the first Spring Suit gives a stimulus to those who see it and a thrill to the wearer.

And the new Spring Suits this season are more fascinating than ever, so original in effect, so refreshing in style, so smart and becoming. See them.

DR. J. B. GAMBRELL President Southern Baptist Conven tion, who will tour the South.

Up to December 1, 1920, Southern Baptists had paid \$16,851,100.68 in cash on their subscriptions to the 75 Million Campaign, according to an announcement issued by the Conservation Commission, which is looking after all the general interests of the campaign. This sum has been apportioned among foreign missions, home missions, state missions, Christian education, hospitals, orphanages and ministerial relief, in accordance with the original campaign program.

While the receipts from the campaign have enabled all the agencies of the denomination to greatly. enlarge their work the returns have not been as large as the best interest of the work demand, it is said, and the local churches throughout the South asked to join in a movement to bring up the payments on all subscriptions New York City.
