Trinity College Commencement The 62nd annual Trinity College commencement is in progress at Durham this week. A large number of alumni and friends throughout the state are attending the commencement. Paint Demonstration Mr. C. B. Foy representative of E. P. S. Paints and varnishes is conducting a demonstration at McCrary Redding Hardware company this week. He is giving away free samples of China Lac Varnish, and automobile enamel. Panama Springs Geographic Joke. Panama perpetrates one of the greatest of geographic jokes on those who visit it. It convincingly makes east west. From Panama City the sun rises out of the Pacific, which to most American minds is the proper place only for setting suns. And he who sails through the canal from the Atlantic to the Pacific travels not from east to west, as he naturally expects to do, but from west to east, or, more accurately, from northwest to southeast. One gets the impression, as one writer has phrased it, that "there is something crooked about this." The crookedness is found to be in the isthmus, which runs predominantly east and west, instead of north and south, and in addition makes a double curve like the letter S, so that at one place the Atlantic waters are actually west of the Pacific.

PROMINENT NORTH CAROLINA PEOPLE PRAISE GARREN'S TONIC

Attorney, Chief of Police, Capitalist, Banker and Others Tell of Wonderful Results Obtained From Famous Tonic, Which is Gaining Popularity All Over America

HON. H. R. STATON

No medicine has ever received the high personal endorsement of as many prominent North Carolina people as has Garren's Tonic. Mayors, bankers, preachers, judges, and others well up in the world's affairs, with a standing of irreproachable character, have unhesitatingly come forward and told of the wonderful results they have obtained from this famous medicine. Such statements as the following are positive proof that in the distribution of Garren's Tonic by the Standard Drug Company, of Asheboro, a great service is being rendered our people. Hon. R. H. Staton, prominent attorney and capitalist, who has served Hendersonville, N. C., as mayor for three terms, recently said: "I do not believe there is anything on earth that will bring the same satisfactory results as Garren's Tonic. For a number of years I was unable to properly digest anything but the very lightest diet. I suffered intensely from indigestion and a pain in my left side that was so severe at times I could not sleep on my side. "Since taking Garren's Tonic I am able to eat anything I want at any time without the slightest fear of suffering any disagreeable after effects. My digestion is perfect and I have gained wonderfully in weight and strength. I believe Garren's Tonic is the surest method of improving the digestion, removing biliousness, strengthening the nerves, purifying the blood and building up the entire system. I have given this medicine to every member of my family with excellent results." CHIEF OF POLICE HIGHLY PRAISES IT "Garren's Tonic certainly does the work," said Otis Powers, Chief of Police of Hendersonville, N. C. "Yes sir, this medicine beats anything I have ever seen in my life to build a man up," continued Chief Powers. "Since taking it I have gained seventeen pounds and I feel just fine. "I suffered a lot with indigestion and was unable to sleep well at night on account of severe attacks of heartburn. I was troubled with constipation and had severe headaches. After meals I suffered with gas on my stomach which brought on a very uncomfortable, heavy feeling. "Garren's Tonic overcame all these troubles, seemed to purify my blood and has built me up wonderfully. I heartily recommend it to any one in the condition I was in." R. M. Oates, prominent capitalist, bank director and president of the Hendersonville Light and Power Company, says: "I had a very severe attack of nervous indigestion covering a period of over two weeks. As soon as I began the use of Garren's Tonic I obtained instant relief. One bottle of this medicine has completely overcome my trouble. "I always keep a bottle of Garren's Tonic on hand ready for use. It is a wonderful preparation and I unhesitatingly recommend it to any one suffering with indigestion or who is in a general rundown condition." BANKER TELLS OF SON'S RECOVERY W. G. Staton, vice-president of the People's National Bank of Hendersonville, N. C., says: "I can cheerfully recommend Garren's Tonic, especially for stomach trouble. "During the past seven years my little boy suffered very much with his stomach. We tried many medicines, but he obtained only temporary relief, until we were persuaded to try Garren's Tonic. After taking two bottles we were more than pleased with the results. I can highly recommend this tonic to all such sufferers." TAX COLLECTOR SAYS IT HAS NO EQUAL Hon. G. W. Brooks, Tax Collector of Hendersonville, is another prominent North Carolinian who strongly endorses Garren's Tonic. In a signed statement dated April 14th, 1921, Mr. Brooks said: "Garren's Tonic has overcome a bad case of indigestion that had been troubling me for many years and has built me up wonderfully. I have gained fourteen pounds since taking this tonic and I feel like a different man. Garren's Tonic will do everything claimed for it and more, too. I don't believe it has an equal on earth." Garren's Tonic is sold in Asheboro by Standard Drug Company.
