JUNIOR RESERVES

(BY W. S. LINEBERRY)

(Continued from last week)

The volume of Public Laws of the seem never satisfied; there are two or three acts applying to them.

Several counties adopted the six that the use of the official who has and from this time to the farewell advance in 1920 in two volumes.

Chapter 1 of the laws of 1921 cresting a state board of surveyors, and all land enginers, etc., had better com-About the middle of February, 1865 our part of the first brigade, juntor re-serves, were ordered to Kinston and all land enginers, etc., had better comsily with its terms. Chapter two is highway commission can dig cannals, so the "piece de resistance" of the new can go by water as well as hardsomection with this act is published as map of the state showing the proposed location of the roads; this is an innovation in legal publications, as this is the first time a map has theen published and made a law; the public is already familiar or thored with its provisions. Chapter as the public is already familiar or thored with its provisions. Chapter so for exercision of the well is regulated. Chapter 86 makes four will before vital interest to all stitutions and is the most general in gersons interested in banks or banking (and who is not.) It is a brand new general in the state story of the state showing deverse every feature from and discussions, and there was one very feature from and the two will break up moonline firmly established. The state state is showing the prosping and discussion can dig cannals, so the we can go by water as well as hard when they will declare in the open that they are allied with the government and that they are helpers and sympathizers with the officers as samily be afraid and that they are helpers and sympathizers with the officers as against the rebellious liquor crowd.

The people must do their part when they will declare in the open that they are helpers and sall when they will declare in the open that they are allied with the government and that they are helpers and sall when they will declare in the open that they are allied with the government and that they are helpers and sall when they will declare in the open almost barefooted, they were always when they will declare in the open almost barefooted, they were always then they will declare in the open almost barefooted, they were always then they will declare in the open almost barefooted, they when they will declare in the open almost barefooted, they when they will declare in the open almost barefooted when they well as hard they shield and protect the liquor crown. boys and said: "Johnnie, why are you so dirty and ragged?" The quick rethose who are against this anarray good clothes to kill hogs." I simply "creation" to "penalties" and "dissortation," to "penalties" and "dissortation," this embodies the famous "parselearence" provision, of which we will bear more anon. Entering any building with intent to blow open the safe is made "burglary with explosives" relative to speedy trial in summary actions and may occur in the day as well as at tions of ejectment. Chapters 91, 92 intended and ditional fees by chapter six. The draining laws are tinkered with. Chapter 94 attaining laws are tinkered with. Chapter eight is the municipal finance act, that is to make history because "some one blundered" in not recording rendered judgments.

Time for services of statement and this is designed to chrontage in the sale of farm products. Municipal finance tailors and that is designed to clerks. Municipal finance tailors are also the subject of legislation to go on the bonds of the counts ought not to go on the bonds of the clerks of ought not to go on the bonds of the clerks of the counts ought not to go on the bonds of the clerks of the counts ought not to go on the bonds of the clerks of the counts ought not to go on the bonds of the clerks of the counts ought not to go on the bonds of the clerks of the counts ought not to go on the bonds of the clerks of the counts ought not to go on the bonds of the clerks is a serious crime for men to make desertions from our command than any part of the arm any part of the arm and any part of the arm any part of the arm any part of the arm and the enemy was additional power to go on the bonds of the counts ought not to go on the bonds of the clerks of the counts ought not to go on the bonds of the counts ought not to go on the bonds of the clerks to show how cheerful these facts to show how cheerful these facts to show how cheerful the counts ought not to go on the bonds of the counts ought not to go on the bonds of the counts ought not to go on the bonds of the counts ought not to go on the bonds of the counts ought not to go on the bonds of the counts ought not to go on the loss of th our brigade which was the 70th reg-About dark General Hoke, placing himself at the head of our brigace, with some other troops being added, marched us down the road toward the Neuse River, with the intention or

turning the enemy's flank, but about midnight the scouts brought in news which induced Hoke to retrace our steps and about daylight we had again crossed the creek and back in our breastworks tired and hungry. As we went into the fight the ground was literally covered with cards scattered evwords of "common gender" and opplinewact. Glory, counsel fees are now It is a simple, harmless preparation boys playing—they had gathered them cable to "man or woman." Assistant allowed in some cases. Emergency that removes the catarrhal mucus tract and up again. The enemy was repulsed vancing from toward Fayettevine, and we were in danger of being cut off between two armies, so on the 10th we retreated through Kinston, on through Goldsboro, through Smitn-field. This was hard on the boys, being almost worn out marching and fighting with but little food.

> butter, no coffee, sugar and one kind of vegetables. Sometimes we would draw a half pint of molasses in place of meat. This was considered a luxery. Now if you will just think, this was mighty little to march and fight on. Yet my soldiers hore it all, trying to protect their country and the loved ones at home. We had no negroes as fight for, we fought for the protection of our country and our homes. We loved the South and some of the boys knew they had brothers fighting on the other side, but this did not dunt them. I have often heard them say they wished they could capture their brothers and how they would make them double quick to the rear.
>
> At Smithfield we saw General Joseph E. Johnson, who was in chief command, a brave and noble man. Here we were drawn into line to see three Georgia soldiers shot for mutiny. fight for, we fought for the protection

Votes or volts don't forget the Little Box

THERE was once a politician of the Optimistic Sort—didn't Hustle Much to Fill the Ballot Box. And there came the Opposition with a Stronger Coalition. And the Politician's Hopes went On the Rocks.

There are optimistic motorists who likewise take a chance. The battery? Oh, "they should be annoyed!" But they pull its power down, stopping-starting 'tound the town. Till the starter says: "Old Box, you're null and void."

The Prest-O-Lite Battery uses less than one fourhundredth of its power-reserve for a single start— and the generator quickly replaces that.

If you are in need of a Battery, call and see us. If your Batery needs recharging or repairing, we can

It wont cost you a cent to drive by and let us inspect your Battery and give it a drink of distilled water. So do not hesitate to come around.

Drive in where you see the sign: "Prest-O-Light Storage Battery Service"
