

### How sixty-four Diamonds behaved for a well-known Virginia Utility Company

"We have used the Diamond Tires and, after a thorough test, we believe that this tire is the best for our service. Our trucks cover more territory than any other trucks on the peninsula. For your information, I might advise that these trucks, sixteen in number, take care of the territory from Fox Hill to Camp Morrison. They are operated in all kinds and conditions of weather and, all in all, I believe the Diamond Tire is the best for our service."
