

Everything for QUALITY —nothing for show

THAT'S OUR IDEA in making
CAMELS—the Quality Cigarette.

Why, just buy Camels and look at the package! It's the best packing science has devised to keep cigarettes fresh and full flavored for your taste. Heavy paper outside—secure foil wrapping inside and the revenue stamp over the end to seal the package and keep it air-tight.

And note this! There's nothing flashy about the Camel package. No extra wrappings that do not improve the smoke. Not a cent of needless expense that must come out of the quality of the tobacco.

Camels wonderful and exclusive Quality wins on merit alone.

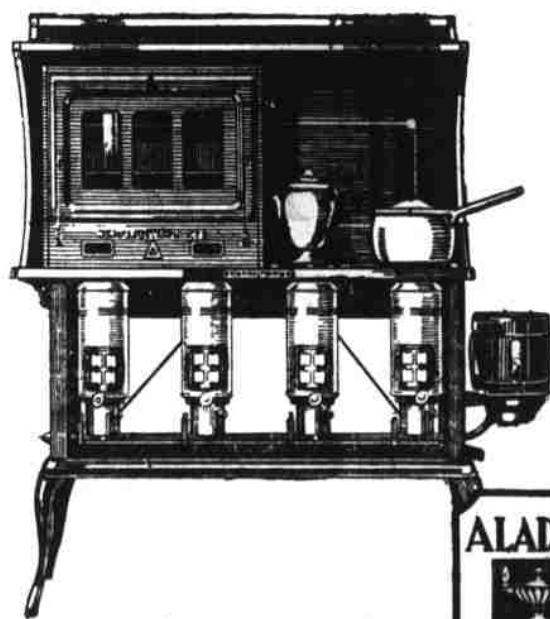

Because, men smoke Camels who want the taste and fragrance of the finest tobaccos, expertly blended. Men smoke Camels for Camels smooth, refreshing mildness and their freedom from cigarette aftertaste.

Camels are made for men who think for themselves.

WHO STRUCK BILLY PATTERSON (Rhankatte Roaster-

Who struck Billy Patterson?
Who killed Cock Robin?
What became of the Cyclops?
Who wrote the Linney letter?

These questions seem to be in the same category, and they are submitted here to all readers. A liberal reward will be paid for the first correct answer to any of the conundrums.

"I ain't much stuck," said the Old Codger this morning, "about the now-you-see-it-and-now-you-don't alibis which the Radikils air a puttin' up rer the Linney 'strict white government' letter. I recommender las November that the Raypublicans were a puttin' grate store by the Linney 'strict white government' letter. Why, one of these tellers that air hangin' erround Radikil hed-quarters cum by my house in October, and up and sed, sed he: 'You Dimmykrats kaint never no more fling it up to us Raypublicans that we air a Black and Tan party.'

"I axed him when the party had tuck a bath in biling water full of concentrated lye.

"He sed that Linney's solemn guaranty of strict white government wur ensure all the wimmin vote ter Raypublicans becase some Demmykrats refused ter follow Woodrow Wilson's lead for woman suffrage.

"It now appears," said the Old Codger, "that they air a tryin' ter git up a alibi for Linney. I see in the papers that a feller named Grissom sez that Linney were at home sick when sum feller writ the letter and sneer Linney's name ter it.

"Who were the feller who forged Linney's name? Grissom air quoted as sayin' that it 'was writ by the publicity bureau ov the Raypublican headquarters.' Well, who is he, I'd like to know? I've never heered of Mr. Bureau of Publicity. Ef he kaint be found then Grissom seems ter think it air between E. A. Holton er Ikey Meekins. I see Ikey has done got his job. Ef he writ it, will they take his job away from him?"

We could not answer, and the Old Codger continued: "Well, I am a go-in' ter wait ter here Linney himself. I kaint believe he wud a waited all this time ter try ter prove a alibi. Ef he didn't write that letter I bieve he'd a cum out an' roasted the feller who dared ter sign his name ter it rite away, just as soon as he heered ov it. What will Linney do? He will say: 'Yes, siree, I writ the letter and stand by it,' or he will say, 'I'll prosecute the feller who dared ter print a artikle a signin' my name ter it. 'There's no other ground to take. Wait ontel yer here from Linney, afore makin' up your mind.'"—News & Observer.
