Something New Something Different!

AN EDUCATIONAL AFFAIR IN THE FORM OF A GET-TO-GETHER MEETING OF THE FARMER, DEALER AND MANUFACTURER. ONE THAT YOU SHOULDN'T MISS!

We want to show you what experience has taught us in the Way of Making a Proper Seed Bed, and in preparing the land to produce the largest yield. Chart Lectures will also be given on the field, and we will have the actual machinery and tractor motors torn down to show owners why they are so constructed.

Tractors, Plows, Harrows, Pulverizers and various kinds of machinery used on the farm will be operated. International Harvester Company experts will conduct the demonstrations.

Men, Women, and Children Alike Are Invited. Don't Miss It. You Will Learn Something!

THESE MEETINGS WILL BE HELD ON JEFFERSON VUNCANNON FARM, ON UWHARRIE ROAD, TUESDAY, JULY 26. ZELL BROWN'S FARM ON BUFFALO ROAD, FOUR MILES SOUTH-EAST OF ASHEBORO, WEDNESDAY, JULY 27. J. M.
