

ASHEBORO M. P. CHURCH CLOSING A MOST SUCCESSFUL YEAR

The Asheboro Methodist Protestant Church is closing one of the most successful years in the history of the church. A splendid revival during the year infused every department of the church work with new life. From the standpoint of members added the past year saw the most substantial growth in the record of the church. More than twice as many members were added this year than in any previous year according to the records. More than an hundred members have been added during the present pastorate of a little less than two years, more than an average of one member per Sunday. The local congregation of Methodist Protestants can not help but be encouraged and enthusiastic over the progress that has been made. One of the most beautiful signs and one that assures the future of the church, if it continues to follow its present progressive policy, is the interest the young people are taking in the work of the church. A large and enthusiastic Christian Endeavor society has been doing splendid work now for more than a year and a half, and the interest and enthusiasm do not seem to wane. Among other things that has held the interest of the young people and that has encouraged the older people as well is the fact that all are looking forward to the time when a new and modern church building, with all necessary equipment for doing real church work, will replace the old and inadequate church building. Substantial progress has already been made on the new building and the work is progressing nicely at the present time. It is hoped that the congregation will be able to worship in the Sunday school department of the new church by the time of real cold weather. The blessings of the Lord have been upon the efforts of his people as they have labored for the advancement of his kingdom. That is only according to his promise. To Him be the praise and the glory.

Mr. Possum Visits High Point
The High Point Enterprise last week rather boastfully related a story of an opossum that was arrested in the "heart of the city" by two members of the police force. As the officers were riding over the city early in the evening they saw the 'possum walking down the street, so they turned their lights on him, blinding him so he made little effort "to resist." He is now being fattened while the members of the force watch his progress with much interest. We have heard that 'possums are plentiful this year, and there would be no objection if several chose to wander over the streets of Asheboro. Now they are married in haste and divorced with pleasure.

MRS. VANDERBILT AGAIN PRESIDENT OF STATE FAIR

The people of the entire State have manifested much satisfaction at the news that Mrs. Vanderbilt has again been elected president of the State Fair Association and has accepted. Mrs. Vanderbilt has been untiring in her efforts as president and has exercised an inspirational force on the sometimes lagging interest of public and officials in the fortunes of the State Fair, and her continuation at the head of the association gives promise that the ambitions she has expressed for the fair are destined for realization. The election of Col. Joseph Hyde Pratt as assistant to the president was a happy thought. He is one of the best equipped men for realization of State resources within all the bounds of North Carolina.

TWO SAMARCANI GIRLS TAKE LONG HIKE

Two girls ran away from the State Industrial school at Samarasnd last week were found in Winston-Salem after walking all the way from Samarasnd in Moore county. One of the girls was most anxious to return to the school, and gave a detailed account of their trip. One girl was only sixteen years old and said she really did not favor the plan in the beginning, and wanted to go back to Samarasnd. They left the school about 11:00 o'clock Sunday, October 16th, arriving in Asheboro Monday night. They arrived in Winston-Salem about 4:00 o'clock Friday afternoon. They took the wrong road several times which delayed them somewhat. During the hike the two girls lived on raw turnips, sweet potatoes, persimmons and walnuts.

THE HOME TOWN

Ten Commandments for The Home Town

- (Fred Eastman in Sanford (Fla.) Herald.)
1. Thou shalt love thy home town above all other towns. Thou shalt be loyal to her people and to her institutions.
2. Thou shalt guard thy home town from the host of evil that would invade and destroy her soul. Thou shalt keep the good name of thy home town clean and without stain or blemish.
3. Thou shalt elect as thy public servants in political office men of strong character, eager to conserve the best interests of thy people. And when they hast elected such men thou shalt stand to support and encourage them, for their temptations are many and their burdens are not light.
4. Thou shalt exalt thy public school and honor it all the days of thy life with the best of teachers, building and equipment, for the school is the cradle of the future. Thy children are here and they shall be the children of tomorrow. No training is too good for them and no preparation superfluous.
5. Thou shalt defend the health of thy home town from the death that lurks in marshes, swamps and heaps of filth. Thou shalt exterminate the fly and mosquito, for they carry typhoid and malaria. The tubercle bacillus shalt thou drive before the with the sun and fresh air as thy

What a Few Randolph County People Say About Chiropractic

I wish to say that Dr. Hodgkin, the Chiropractor, has helped my nasal Catarrh a great deal. I had tried many things prior to Chiropractic and found no relief in any. I only wish I had started taking the Adjustments before I did.
I also wish to say that my wife has been benefitted through Chiropractic.

I suffered with pains in my arm and shoulder. It hurt so bad at times I couldn't throw a base ball without causing great pain.
Just six Chiropractic Adjustments from Dr. Hodgkin cured it entirely.

I was suffering with Stomach Trouble general nervousness and couldn't sleep at night. I went to work every morning for a long time without any breakfast, simply because my stomach was so weak.
I thought I never would be well again, but, thanks to Chiropractic, I am. I took just twenty-four Adjustments from Dr. Hodgkin at Asheboro.
I sleep now just like a baby and eat anything I want to.

I suffered with severe pains in my right side for many years before I heard of Chiropractic. I only wish I had heard of it before I did, for after I took my first Adjustment I saw a change and when I had finished my card of twenty-four the pain was absolutely gone.
I advise my friends who are sick to try Dr. Hodgkin, the Chiropractor, at Asheboro and Ramseur.

I was taken with Neuritis in my right arm and shoulder about August 1, 1921. I immediately consulted a specialist and he told me to stay in bed three months at least. He told me the only thing that would cure me was complete rest and time. I went to bed and was in bed about a week when one of my friends advised me to get Dr. Hodgkin, the Chiropractor, which I did. After the first Adjustment I saw a change. After two weeks of adjustments I am back in my office on the job.
I don't feel like I can say enough for Chiropractic.

growth be not haphazard, but full of thought and loving care, as the plans of a mother for the growth of her child.
8. Thou shalt honor thy community institutions. Thou shalt work together with thy neighbors with all thy heart and strength and mind. Thou shalt work together in thy organizations and clubs for the common welfare. Thy leaders shalt thou learn to care. Thou shalt serve on committees where thou art put and not intrude on committees where thou art not put. Thus thou shalt know each other better, thy work shall prosper, and thy friendships shall multiply.
9. Thou shalt be a good neighbor to all who live in thy home town, whether they be rich or poor. Thou shalt speak ill of none and good of many. Thou shalt be a friend to strangers and visit the sick in their affliction.
10. Thou shalt go to church for the honor of thy home town and for thine own good. Thou shalt not consider thyself too wise, too busy, too bad or too good, to spend an hour or two on Sunday with thy neighbors in the worship of God. Thou shalt not send thy children to church. Thou shalt bring them there. Thou shalt offer thyself to thy spiritual leader for the service of God and thy community. Thou shalt ye win many battles together.
