Supplementary to our editorial last week on punce dance nuts, we invite attention to the following from the editor of the Nashville Christian Advocate:

"Let us add the following as a side-light to the foregoing. It is taken from one of the Nashville dailies and is simply a picture of what is going on in other cities and in many towns of our country. 'Nineteen empties' in the dressing room of the Centennial Club following a recent dance, with a twentieth smashed on the front steps, led the club membership at the general meeting Wednesday to make an open challenge to the mothers of the city to assert themselves and protect their daughters from the association of young men who look upon the corn when it is white. One of the club rules, which has always been strictly enforced, is to the effect that no intoxicants shall be brought on the premises. The membership was consequently shocked when it was announced at Wednesday's meeting that the dressing room had been made a depository for 'dead soldiers.' A special committee was named to look into the situation and reported in favor of an appeal to the mothers to aid the club in suppressing such conditions as the club felt existed. The appeal takes the form of a 'challenge' to the mothers to do their duty. The practices which the club has found to exist among the younger social element of the city has been one of the reasons why the club has allowed so few dances to be held in its hall this season. Being the leading woman's club of the city, the Centennial Club decided Wednesday that it could not close its doors entirely to social affairs, hence the 'challenges' to the mothers to 'wake up'. The club will appeal to other women's clubs of the city to aid it in its 'moral drive'."

As Many An Asheboro Reader Knows Too Well

When the kidneys are weak, Nature tells you about it. The urine is nature's index. Infrequent or too frequent passage. Other disorders suggest kidney ills. Doan's Kidney Pills are for disorderer kidneys.

Asheboro people testify to their worth. Ask your neighbor. J. H. Kivett, barber, Cox Street, Asheboro, says: "Last summer my kidneys got out of order and acted irregularly. I had a weakness and dull ache across my back which made it hard for me to keep on my feet. I used Doan's Kidney Pills getting them at the Asheboro Drug Co., and they gave me relief from the back-ache and put my kidneys in good shape."

Price 60 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Kivett had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

County Government Better business methods in county government is a subject now receiving considerable attention in the state.

Recent revelations concerning county finances has set people thinking. The State Auditor, who is in position to know whereof he speaks, says that any private business corporation managed as the finances of some counties are, would promptly be forced into bankruptcy.

Few county officials seem to know the number of acres within their borders; some do not know the bonded indebtedness or who holds the bonds, when they become due, or how they are to be paid. Few know what it costs them to conduct business, and some do not even keep a set of books.

With the view to correcting conditions, Representative Sams, of Forsyth, introduced a bill in the last special session of the General Assembly which requires all counties to file with the State Auditor at specified intervals a special report. If the provisions of the bill are carried out, the Auditor will have at his finger tips at all times the data on the financial situation of every county. The bill also provides that counties issuing bonds must make provision for retiring them.

After much discussion as to the best location for the new court house at Carthage, Moore county, it was decided to locate it on the present site. The plans will be ready for bids probably by the first of March.

Having qualified as administratrix of the estate of G. A. Patterson, deceased, before F. M. Wright, clerk of the superior court of Randolph county, this is to notify all persons having claims against said estate to present them to the undersigned, duly verified, on or before the 22nd day of December, 1922, or this notice will be pleaded in bar of their recovery. All persons who are indebted to said estate will please make immediate payment.

Wright, clerk of the superior court of Randolph county, North Carolina, which summons is returnable before the said clerk at his office at the court house in Asheboro, N. C., on the 15th day of February, 1922, amount demanded being \$1164.84 and interest from December 1, 1920, and \$36.06 cost. The said defendant will also take notice that a Warrant of Attachment was issued by said clerk of Superior Court on the 9th day of January, 1922 against the property of said defendant, which warrant is returnable before the said clerk at the time, and place above named for the return of the summons, the amount of the attachment being for the sum above stated when and where the defendant is required to appear and answer or deny to the complaint or the relief demanded will be granted.

This the 9th day of January, 1922. F. M. WRIGHT, Clerk of the Superior Court.
