Asheboro, N. C., March 9, 1922

The Burlington Daily News made its first appearance Monday afternoon. We congratulate the citizens of Burlington and extend our good wishes to the new paper.

Home economics has been installed in the Troy high school this year and much interest is being manifested in the work. This development is greatly needed in the Asheboro school and it is to be hoped that when the new building is erected provisions will be made for it.

Many of our citizens are interested in the report that the town officials are contemplating taking off the 25% excess on water and light rates. There has been considerable discussion lately as to the rates and it is to be hoped that the city fathers can see their way clear to relieve the patrons of this excess in the near future.

A number of persons were tried in municipal courts in High Point last week charged with selling cigarettes to minors. It impresses us that somebody in "this neck of the woods" has been guilty of the same offense. If some of the older citizens in the town will open their eyes they will see some minors puffing away on cigarettes. Some of the youngsters are timid enough to seclude themselves, while others puff away undaunted.

Hays, Seagrave, Randolph county, N. C. 1-15-22

The Money You Waste Would Buy a Home

The money you have squandered during the last three or four years would surely have built a Home.

Take a look back, figure how much you have earned, deduct from this amount your actual expenses, your board, rent, table expenses, your bills for clothing, laundry, etc. What's the remainder? Quite a tidy sum, eh? And where is it? Gone! Frittered away! Spent a dime, a quarter at a time. Where are you going to land if you don't begin to save something?

Own Your Own Home

The Peoples Building & Loan Association offers you a plan whereby you can save a little each month from the amount you now earn.

Don't allow time to pass without making a start on the road to systematic savings. Old age is coming! Get under your own roof before it overtakes you.

New Series Opens March 15
