

PENN'S SPELLS

CHEWING TOBACCO

Penn's spells quality.

Why?

Because—

Penn's is packed airtight in the patented new container—the quality is sealed in.

So Penn's is always fresh—an entirely new idea for chewing tobacco.

Have you ever really chewed fresh tobacco?

Buy Penn's the next time. Try it. Notice the fine condition.

And after that, use fresh chewing tobacco—Penn's.

PLANS MADE FOR SAND HILL PEACH SHOW

Plans are being perfected by the Hamlet Chamber of Commerce for holding the second annual Carolinas Sand Hills peach show during the coming July. Assurances have been received from the Department of Agriculture of their co-operation and the plans call for a big exhibition of Sand Hills fruit and a program of special interest to the grower and those who contemplate entering the fruit growing industry.

The show will be conducted for days in a large hall or tent to provide more ample accommodations than last year and exhibits of orchard machinery, implements and materials for the care of trees and fruit will be shown and demonstrated.

Last year seven states and forty-eight communities were represented in an attendance of approximately 400 individuals. Greater efforts will be made to have a larger attendance and every effort will be put forth to inform those who attend as to just what they might expect to receive in return for their investments in peach culture.

The peach industry is growing very fast in the two Carolinas and authentic information and experience indicate that it is a safe venture with abundant financial return to the person who applies intelligent care to the orchard.

Plenty of land is available, splendidly adapted for peach growing and there is no danger of flooding the markets for years to come—if ever—and it is the purpose of the Hamlet Chamber of Commerce to push the development of this industry until the Carolina Sand Hills become as famous, all over the world, for its fruit as are Florida and California.

Library to Buie's Creek Academy
A handsome memorial has been started for Buie's Creek Academy in the form of a library. It is to be built and equipped by D. Rich, treasurer of the R. J. Reynolds Tobacco Company, in Winston-Salem, in loving memory of the donor's wife, who died January 17, 1917. It will be known as the "Carrie Rich Memorial." The academy is doing a great work among the boys and girls of the state and a good library will further the work materially.

BAPTISTS RAISE \$30,000,000 CASH

ALL GENERAL WORK STRENGTHENED BY 75 MILLION CAMPAIGN, IT IS SHOWN.

WHERE THE MONEY GOES

Some That Have Been Appropriated To Various Objects Set Forth By Headquarters Office At Nashville, Tenn.

Dr. E. Gill, Baptist Representative in Europe, on Left, and P. V. Pavloff of All Russian Baptist Union.

From the beginning of the Baptist 75 Million Campaign to January, 1922, a total of \$30,356,319.41 had been paid in to objects fostered by the Campaign, it is announced by the general headquarters office at Nashville. Of this amount \$28,799,971.16 came in through the payment of regular Campaign subscriptions and the remaining \$1,556,348.26 in special contributions.

Regular receipts from the various states follow: Ala., \$1,301,134.76; Ark., \$714,683.09; D. of C., \$123,280.01; Fla., \$469,753.53; Ga., \$3,000,174.10; Ill., \$298,576.13; Ky., \$3,187,656.15; La., \$807,991.13; Md., \$393,517.46; Miss., \$1,243,846.50; Mo., \$1,190,754.70; N. M., \$145,229.97; N. C., \$2,211,741.50; Okla., \$340,562.65; S. C., \$2,633,840.53; Tenn., \$1,797,483.10; Tex., \$5,162,658.85; Va., \$3,279,085. More than 250,000 baptisms were reported by Southern Baptist churches last year.

How Money Was Distributed
Seven general objects of the denomination were embraced in the Campaign program, and from the regular Campaign contributions those objects have received the following amounts, according to a compilation by the headquarters office: Foreign missions, \$5,434,012.53; home missions, \$3,562,600.67; state missions in the seventeen states and local work in the District of Columbia, \$4,954,813.26; Christian education, \$7,192,442.79; Baptist hospitals, \$2,004,099.16; orphanages, \$2,103,787.33; and Relief and Annuity Board, which ministers to aged dependent ministers and their families, \$799,126.99.

What Money Has Done
These funds represent an advance, ranging from 200 to 300 per cent, in the contributions of Southern Baptists to their general missionary, educational and benevolent work, prior to the inauguration of the Campaign, and have enabled the boards and other agencies to greatly extend their services in all departments. In addition to sending out more than 150 new missionaries since the Campaign began, and providing many church buildings, mission residences, schools, theological seminaries, publishing houses, hospitals and the like on the older fields the Foreign Mission Board has been enabled to open work in the new fields of Spain, Jug-Slavia, Hungary, Roumania and Southern Russia in Europe, and Palestine, Syria and Siberia in Asia, and Dr. Everett Gill, for many years a missionary in Italy, but more recently a pastor in Kansas City, has been named special European representative to supervise the greatly expanded work on that continent. Dr. Gill is giving much of his time to distributing Baptist relief funds in Russia and otherwise looking after the interests of the denomination there.

Home Work Enlarged
Among the outstanding accomplishments of the Home Mission Board are the siding of more than 1,000 churches with loans and gifts for church buildings, completion of the big tuberculosis sanatorium at El Paso, enlargement of the work in Cuba and the Canal Zone, strengthening of the 37 mountain mission schools and the development of all eleven departments of the work of the Board. In all seventeen states of the Southern Baptist Convention the state mission work has been greatly extended, the number of Baptist hospitals in the South has been increased from eleven to twenty-three, all of the older eighteen Baptist orphanages have been added in material ways and two new ones have been established, while the number of aged dependent ministers and their families has been doubled and the amount of aid given them increased 100 per cent.

Collections Are Pushed
While the collections so far represent a big gain over the contributions of Southern Baptists to their work before the Campaign, the sum collected in all that is due and in all the South as a result is being made to collect as much more as possible by the close of the Convention year, May 1, 1922.

A. S. CALLICUTT

The death angel visited the home of Mr. A. S. Callicut, of Hemp, on March 6, 1922, and claimed as his reward the husband and father of the family. Mr. Callicut was employed in the service of the Home Building & Material Company, at Hemp, and while faithfully performing his duty he was suddenly snatched into the jaws of death, due to heart trouble. He had been in ill health for several years, but had not been so serious until the last few months.

Mr. Callicut was 43 years of age. He was a very influential man and possessed a kind and genial disposition. He was loved by all who came in contact with him, for to know him was to love him. Mr. Callicut was very devoted to his family and honest to his fellowmen.

He leaves a wife, Mrs. Bertie Callicut, and five children, viz: Exie, Chloe, Glenn and Bruce, ranging from ten to 19 years of age; a father and mother, Mr. and Mrs. A. R. Callicut, of Strieby; three brothers, Mr. E. S. Callicut, of High Point; Mr. O. H. Callicut, of Strieby; and Mr. G. C. Callicut, of Tampa, Fla., also a host of friends all over the surrounding country. He has one sister, Estelle, who preceded him to the grave several years ago. Mr. Callicut was a Christian and a member of the M. E. church of Hemp.

It is with feelings of sincere regret that we part with him, but it is consoling to know that in the present instance he had fought the good fight and kept the faith and has gone to his reward.

The funeral services were held at New Hope church and conducted by Rev. Mr. Hulin, of Why Not, and Rev. Mr. Lansing, of Hemp. We extend our deepest sympathy to the bereaved family.—Co.

In Memory of John F. Jarrell

John Franklin Jarrell was born on August 21, 1860, and was the only son and youngest child of Jas. and Martha Rollins Jarrell. On December 29, 1881, he married Miss Angeline Miller, daughter of the late W. M. Miller, and a sister of B. F. Miller, of Asheboro. To this union four children were born, two of whom, Ida, now Mrs. W. F. Redding, of Asheboro Rt. 2, and Gertrude, now Mrs. N. A. Robbins, also of Asheboro Rt. 2, survive with the mother, a granddaughter, Miss Caroleen Jarrell, who is a student of the Asheboro high school, made her home with her grand parents, and there are four other grandchildren.

Mr. Jarrell died of pneumonia at 6 a. m. January 24, 1922, at the age of 61 years. His remains were laid to rest in the cemetery of Mountain View church January 25. The funeral service was conducted by Rev. James Parker, of Randleman.

Probably few other men in the county have held more offices or done more for the progress of their communities than Mr. Jarrell. He was a merchant for more than forty years and for about thirty-six years was postmaster at Caraway postoffice, which was established through his efforts. A number of years ago he established the Caraway Telephone Exchange of which he was owner and manager; He also owned and operated a grist mill. He served as deputy sheriff and for many years held the offices of notary public and magistrate. He was a kind husband and father and good neighbor and will be missed by not only those nearest and dearest but by a wide circle of friends and acquaintances.

MAN GIVES WIFE GLYCERINE MIXTURE

She had stomach trouble for years. After giving her simple buckthorn bark, glycerine, etc., as mixed in Adler-ka, her husband says: "My wife feels fine now and has gained weight. It is wonderful stomach medicine." Adler-ka acts on BOTH upper and lower bowel, removing foul matter which poisoned stomach and which you never thought was in your system. EXCELLENT for gas on the stomach or chronic constipation. Guards against appendicitis. The injuries it brings out will surprise you. Standard Drug Company.

Navy to Be Reduced

Reports from Washington indicate a reduction in the enlisted personnel of the Navy to 65,000. Secretary Denby states that an enlisted force of at least 90,000 men and the present total of officers is absolutely necessary to keep the Navy on its feet and to meet recent treaty agreements.

It is estimated that only \$160,000,000 will be appropriated for the support of the Naval establishment, which the department asks for \$350,000,000.

Are You a Weak and Ailing Woman?

Beauty and Health Go Hand in Hand
Fort Thomas, Ky. — "Several years ago I had become so poor and weak from trouble of a feminine character that I could not walk around in my room without holding to the furniture or having some one to assist me. I was so nervous at times I could hardly endure any one walking across the floor. Finally I began taking Dr. Pierce's Favorite Prescription and in three months time I gained 20 pounds. I continued taking the medicine until I was entirely well. Dr. Pierce's Favorite Prescription certainly saved my life."—Mrs. Laura Klepper, 15 Oak St.

missioner. The unexpired term of Judge Adams, of Carthage, is to be filled for the full term of four years. In all but the third, fourth, seventh, eleventh and fifteenth districts elections for judges of the superior courts are to be held. Judges Harding and Beck will stand for re-election. Elections for the benefit of soldiers will be held in all the judicial districts. The interest of the year will center around the Congressional elections, as every representative will be affected. The Democratic party in this state cannot help in reducing the Republican majority in Congress for the reason that there are no Republican members from North Carolina there.
