RECREATION PARK TO BE OPEN SOON

Among the many improvements in and around Asheboro that are going forward is a recreation park that is soon to be completed and thrown open to the people of the town and county. Garland Pritchard son of Mr. and Mrs. Eli Pritchard, is putting into reality some of the ideas he gained while secretary of a country club in Detroit for several years. The location is the place known as the Eli Pritchard farm. The home burned down about two years ago, and the family moved to north Asheboro.

This tract of land contains 53 acres or more lying 100 yards west of the city limits, with a hard surface road running to it. Work is well under way on many things already, the most interesting item being a concrete dam 140 feet long and 16 feet high. This will be the means of a two and a half acre pool for bathing. It will also be stocked with fish. Bath house will be erected, and every convenience for the bather and swimmer is being considered. A long chute, spring boards and diving scaffolds are to be included in the plans. Overlooking the pool is to be a pavilion 80 by 40 feet. This will have a ten foot screened porch across the front. In the pavilion will be a dance hall. Around the two springs are five or six acres of shady grove. Here will be tables for picnics, benches, and swings for the children. At the front of the property will be two double tennis courts and two single courts. These will be lighted with electric lights also.

The work is well under way, and it is thought, will be ready for the opening about the first of May. The tennis courts will be ready for use within two weeks, however. This is quite an addition to our town; while it is a hundred yards from the corporate limits, it is within easy distance of a good walker, being just a mile from the depot. A hard surface road runs from the main road to the park, also a drive way will be made around the pond.

We wish to express our thanks through The Courier to our friends and neighbors for their many deeds of kindness and words of love during the sickness and death of our beloved wife and mother.

May God's richest blessings rest on each and every one.

TROY WINS IN DEBATE

Troy and Mt. Gilboa, being unable to get a triangle to debate the League of Nations, entered the contest April 26.

ANOTHER FRAUD

Secures Advertisements For Hotel Poster Cards

R. D. Hall who claims to be a representative of the National Trade Service, Publishers Automobile and Hotel Trade Directors of Boston, Mass. was in Asheboro last week. He arranged with the two hotels here to publish and frame the act for the protection of hotels, inns, boarding and lodging houses. He also solicited advertising and secured from \$60.00 to \$75.00 worth of advertisements from some of the leading business people of the town. He had the job printed at the Courier office but did not return on Saturday to pay for his job as he promised to do. Neither has he sent glasses and frames for the placards according to his promise to the hotels. It looks as though he intentionally left the town without living up to his promises. In this day and time there are so many people who are selling under false colors that the Courier is printing this information which it hopes will be of benefit to some other community.

REVIVAL AT M. E. CHURCH

Revival services begin next Sunday morning at the Asheboro M. E. church. The preaching will be done by the pastor, A. C. Gibbs. He is not something new; he is not sensational; he will not try to entertain you by "outmoving the movies"; He is just a plain man who knows and loves his people and wants to help them. He has no great reputation to sustain and is not striving to make one. He would rather have your presence and your prayers than your money. He is one of you. Furthermore, he has no particular doctrine to propagate or mode or ordinance to exalt—only the cross of Christ. He is depending on you to help him.

SIGN UP FOR THE TENNIS CLUB

It was announced this week by Mr. Garland Pritchard that all who wish to join the tennis club at the Recreation Park are requested to give him their names. The membership dues are 90 cents for men and 75 cents for ladies. This gives the privilege to those holding membership cards of using the tennis courts. The courts will be completed within ten days or two weeks, at the outside and all who wish to join are urged to see Mr. Pritchard at an early date. The courts will be rolled daily and kept in perfect condition, and they will also be lighted at night for those who are busy during the day.

TRIANGULAR DEBATE FRIDAY  
Lexington Debaters Will Go to Chapel Hill

The triangular debate for the high schools of Asheboro, High Point and Lexington was held at the three places last Friday night. There was considerable interest among the citizens of the three towns. The Lexington debaters will go to Chapel Hill for the final elimination contest on April 6 and 7 by virtue of their debaters winning the victory over Asheboro and High Point. Miss Lois Haskney and Eugenia Webster, upholding the affirmative for Lexington came to Asheboro and won the debate against High Point's debaters Messrs. Frank Caudle and Bredy Case. At the same time Lexington's negative team composed of Miss Mildred Conrad and Troy Strange went to High Point and won over William Hammond and Samuel Brittain, affirmative representatives from Asheboro. Miss Phyllis and Troy Strange were contestants. Asheboro's young people it is said put up a valiant fight and they are to be congratulated on their splendid efforts. The Dispatch speaks especially of the representatives from the Asheboro school and predicts a bright future for the young men. The Courier regrets that Asheboro did not win but we congratulate Lexington upon winning the contest.
