CANNING SEASON NOW ON

With the coming of fruits and vegetables, the already over-worked housekeeper will have to make preparation for winter. We are publishing standard recipes for canning, with the hope of being of benefit to the women of the county.

Tomatoes.—Cans should contain not less than 2 pounds 1 ounce tomatoes in No. 3 and not less than 1 pound 4 ounces in No. 2. To be filled with sound ripe fruit, carefully peeled and cored; tomatoes to be whole or in large pieces, firm, uniformly red, and of good flavor.

String Beans.—Net weight in No. 3 can before liquor is added at least 1 pound 8 ounces, brine 8 to 10 ounces. Net weight No. 2, 13 ounces beans and about 8 ounces liquor. No. 1 cans to contain 4 or 5 whole beans to be tender, green, uniform in size, well strung, and of good flavor. The net weight which appears on the label should be for No. 3, 2 pounds, for No. 2, 1 pound 5 ounces.

Peas.—No. 2 cans to have at least 13 1-2 ounces net weight of peas and about 8 1-2 ounces liquor; peas to be fairly uniform in size, tender, whole, and of good flavor; liquor clear. Net weight appearing on label should be for No. 2 cans 1 pound 8 ounces.

Baby Beets.—To be packed in No. 2 lacquered tins, about 30 baby beets to each can, maximum size 1 1-2 inches in diameter and average size 1 inch in diameter. No. 2 cans to have at least 16 ounces whole beets and 4 ounces liquid. Net weight which appears on label should be for No. 2 can 1 pound 4 ounces.

Okra.—Net weight of contents in No. 3 can should appear on label, 2 pounds. Only young, tender okra should be packed, and it is best to remove the cap without cutting into the seed pod and pack whole. Brine is added as explained in the table.

Peppers.—No. 2 cans to contain between 8 and 10 whole peppers. Flat beans and about 8 ounces liquor. No. 1 cans to contain 4 or 5 whole peppers, and net weight of contents appearing on the label should be for No. 2 cans not less than 1 pound, or flat No. 1 can not less than 8 ounces.

Soup Mixtures.—No. 3 cans contain

34 ounces. Net contents. **Figs.**—Net weight, contents No. 2 enameled-lined can of figs should appear on label not less than 1 pound 6 ounces. Figs should remain whole, and a No. 2 can contain about 30 to 35 whole figs.

Peaches.—No. 3 can to have at least 1 pound 5 ounces solids and 11 ounces liquid; to contain between 10 and 12 halves of peaches, and have net weight of contents appearing on label not less than 2 pounds.

Pears.—Net weight in No. 3 can should be not less than 2 pounds; 11 ounces liquid, 1 pound 5 ounces solids, and between 12 and 14 halves.

Berries.—No. 3 can, blackberries or raspberries, net weight 2 pounds; No. 2 cans, net weight 1 pound 6 ounces, whole berries weighing about one-half of total in each case. Berries to be large, whole, of good color and flavor.

Almost all No. 3 cans, no matter what they contain, weigh 38 ounces gross.

Death Valley, California, now produces 20,000,000 pounds of talcum powder a year.

WONDER STUDENT AT HARVARD, A TAR HEEL BOY

Mr. Chesley M. Hutchings, who is in the graduating class at Harvard University, has been characterized as a remarkable student by the professors of this splendid university. In taking a three hour examination in romance, languages and literature in which he was questioned by thirteen professors and instructors, Hutchings answered every question correctly. The professors considered fifty per cent an excellent showing.

Hutchings, who is familiar with fifteen languages, was taking this examination to receive a degree of doctor of philosophy. He was recently awarded a fellowship to enable him to study abroad.

Prominent Reidsville Man Dead. Robert Payne Richardson, of Reidsville, one of the pioneers in the tobacco industry in that plaie, died in a local hospital where he has been undergoing treatment for the past week. Besides being identified with the Old North State Smoking Tobacco Co., and several other tobacco interests of the

INSURANCE MAN TELLS OF FRIEND'S RECOVERY

"He suffered considerably from gas in stomach and colic attacks, and at times was very yellow. His doctors diagnosed his ailment as gall bladder trouble and that an operation was necessary. Some one persuaded him to try Mayr's Wonderful Remedy. Since taking it one year ago he tells me he has been able to eat anything." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

Sold by Standard Drug Company and druggists everywhere.

A trip around the world in 408 hours, at a cost of \$3,400, will soon be possible by connecting up different aerial routes.

town, he also had other business interests in Reidsville. He is survived by a wife, two sons and a daughter.

COMMUNITY SINGING AT MR. J. M. BURROW'S

An enjoyable community singing was held at the home of Mr. and Mrs. J. M. Burrow's last Sunday afternoon, when around sixty of the neighborhood people and other interested friends gathered.

Mr. A. Carl Cox and Miss Anne Vestal acted as organists and Messrs. John Trogdon and R. J. Pierce and Mrs. McDaniels led the singing.

It was a most delightful occasion and everyone present enjoyed the afternoon.

Electrocuted by Telephone Wires.

Homer Thomas, son of Mr. Ben Thomas, of Albemarle, was electrocuted last Friday when he came in contact with some telephone wires while working on a building at Pinehurst. The young man was about 22 years old and had been married six months. He was a carpenter by trade and a respected citizen of Albemarle. The funeral and burial services were held at Salem church the following Sunday.
