hundred bales of hay, a large lot of state. chine and many other modern farm implements. The loss is estimated at around \$5,000.00, while the insurance on the barn was only \$200. The fire burned rapidly and it was seen from the beginning that there was no hope of saving anything. The origin of the fire, which was discovered about college is to be t 10:00 o'clock in the morning is entire-building put up. ly unknown:

# 100-Pound Rail Adopted For Southern Main Lines

Washington, June 27.—One hundred pound rail has been adopted by the Southern Railway System as the standard for its main lines in place of 85-pound rail, the heaviest used on the Southern up to this time, Vice President H. W. Miller, in charge of operations, announced today.

The first stretch to be laid with the heavier steel will be on the Washing-

heavier steel will be on the Washing-ton-Atlanta double track line and will give the Southern 100-pound rail from Washington to Manassas, Va., a distance of 83 miles. The rail and fastenings are already on the ground and will be put in the track as soon as the While faithful man upturns the soil recommended to me so I got some at that he might resp
Rich harvests to send forth to yonder neighbor's door.

The railway trains, on schedule time, leaded to me so I got some at the fact and can say they cured me of the pains in my back and regulated my 100-pound rail will be laid on extra kidneys. This remedy also took the heavy tie plates, giving added strength

lighter rail on branch lines where the volume of traffic is such as to justify

heavier rail than now in use.

The term "100-pound" rail means that the rail weighs 100 pounds to the yard.

## Trinity News.

Great Loss by Fire.

Last week Mr. S. B. Hornady, of day. Some may remember this was the historic "old log meeting house."

Prof. Story and family are visiting three hundred bushels of wheat, three hundred bushels of the historic in the western part of the hundred bushels of have a large let of the state.
