Splendid Corn and Potato Crop in Our Section

Dr. and Mrs. C. S. Tate and Mr. John M. Foust attended the fair at Raleigh last week.

Mr. Guy Lane, who is in school at A. and E. College, spent the week-end at home here.

A number of our folks attended the speech of Hon. Josephus Daniels at Asheboro last night.

Miss Mycleta Ward, who has a position in the Staley high school, spent Sunday with her parents, Mr. and Mrs. M. A. Ward. She was hostess to two of her associate teachers, Misses Jessup and Allred.

Capt. W. D. Lane and family motored to Raleigh Sunday where his son Guy is spending his second year at A. and E. College.

Mr. W. C. Craven, of Greensboro, visited his parents, Mr. and Mrs. C. H. Craven, here Sunday.

Mr. J. R. Wilson and family spent Sunday with friends at Greenville, S. C.

Dr. and Mrs. C. A. Graham spent Sunday with friends and relatives at Burlington.

Members of the Epworth league enjoyed a weenie roast at the home of Mrs. W. P. White Saturday evening.

Revival services conducted by Rev. C. C. Wheeler, of Benson, assisted by Mr. Lyon, of Atlanta, Ga., and the pastor, Rev. S. L. Morgan, began at the Baptist church here last Sunday morning. It is hoped that great results will attend the efforts of these workers and the church in this meeting.

Ordinarily we would be slow to accept the veracity of reports of some folks in regard to giant sized vegetables, grain, etc., especially after they have eaten two "corn shucking" meals in one day and "have drunk" no telling what, and furthermore our esteemed friend and neighbor, Mr. James Or-lindo Forrester, is well-known in this section for telling various and sundry stories about seven gallon crows, 100-pound pumpkins, etc., yet in this instance brother J. O. has the de-ward on us in the way of a number of "living witnesses" as well as the article itself on exhibition at Marley & Cavness' store, here. All of this has been very necessarily said that the rest of the story may be related: An ear of corn grown on the farm of one certain Mr. John R. Rightsel, Ramseur route 2, and "shucked" by the afore-said James O. last week is hereby duly sworn to be 9 1/4 inches in circumference and 10 1/4 inches in length, having 22 rows each 53 grains making a total of 1,166 grains. This corn is of the famous variety of Lippard's prolific of Iredell county. Mr. Rightsel captured the first prize at the late county fair on corn of this variety. This is 366 grains above the average yet reported. This is indeed a giant ear of

Teachers' Meeting at Troy.

Last week marked the first conference for teachers held in Montgomery county. Teachers from the entire county met at the court house at Troy. The purpose of the meeting was to organize the teachers for the work to be done during the year. L. C. Brogden, state supervisor of rural schools, was present for the conference and made a strong and interesting address to the teachers and school committeemen. Mrs. T. E. Johnston, one of the best supervisors in the state was also present. She added much interest and enthusiasm to the meeting. The teachers were very fortunate indeed to have Mr. Brogden and Mrs. Johnston with them on this occasion. The appearance of the gathering indicates that much interest will be shown by the teachers of the school this year in Montgomery county.

One of the children might like a real, live Christmas present this year in the form of a purebred calf, or pig, or trio of chickens.

corn and can be seen by anyone at the above mentioned place. If any Randolphian can beat it they will have to go some. Mr. Rightsel is one of our best farmers and Mr. Forrester is not only one of our best farmers but as you know is president of the Farm Bureau of Randolph, and is well informed on questions confronting the farmer of today and especially well versed in seeding the crops. He has studied and experimented for years on the best seed corn and other grains.

While we are talking so much about co-operative marketing of our crops let's begin to think something about co-operative planting of crops in Randolph. It seems to me that the farmers are just like the merchants, garage men and all the rest in this respect that when one man tries a certain crop all his neighbors goes into the same thing so much that no one gets their crop marketed to any great advantage. For instance, just now the sweet potato crop is flooding the market and we find that the greatest crop in history is being harvested with no preparation made for marketing them. It is impossible for this community to consume the sweet potato crop of the community. So far I have found no market to ship them to for a price that will justify the farmer to raise them, that is, according to the price he asks for them here. Jobbers and produce men can buy them from other sections for so much less that we have no hope of selling them. It seems to me that if we could plant more money crops and not so many vegetable crops that will not keep we would be better able to market them. It would be a great thing for us as well as the man who grows them, if we could market green peas, sweet potatoes and watermelons at a good price but as yet the problem has not been solved.

NATURE TELLS YOU

As Many An Asheboro Reader Knows, Too Well

When the kidneys are weak, Nature tells you about it. The urine is nature's index. Intrequent or too frequent passage. Other disorders suggest kidney illness. Doan's Kidney Pills are for disordered kidneys.

Asheboro people testify to their worth. Ask your neighbor.
J. H. Kivett, barber, Cox Street, Asheboro, says: "Last summer my kidneys got out of order and acted irregularly. I had a weakness and dull ache across my back which made it hard for me to keep on my feet. I used Doan's Kidney Pills getting them at the Asheboro Drug Co., and they gave me relief from the backache and put my kidneys in good shape."

Price 60 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Kivett had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

FORMER RANDOLPH CITIZEN ENDORSES PROF. WEATHERLY

To the Voters of Randolph County: I being a former citizen of your county, born and reared there, I wish to endorse Prof. D. M. Weatherly for Clerk of the Superior Court. He came to your county in 1890, a young man, to give his life's work teaching the young men and women the higher and nobler things in life. Mr. Weatherly has taught more children than any one person in your county, and there have gone out from his schools men and women that have made good, and who stand at the top in their profession. I want to ask you to vote for Mr. Weatherly because I know him to be a high-toned Christian gentleman, a loyal Democrat and a man who will give every man a square deal. There is no use for me to try to introduce Prof. D. M. Weatherly to the good citizens of Randolph county, for his name is a household word and he is loved by all who know him. Vote for Weatherly, you will never regret it. W. CHAS. YORK, Sanford, N. C.

Many Tourists Going South.

A continuous string of tourists are passing over the Raleigh-Charlotte highway going south for the winter. It was recently estimated that at Carthage the average was a tourist car passing every ten minutes, bearing the license tag of far northern states. Reports are that all tourists are praising North Carolina roads.

Mr. and Mrs. Lacy B. Melvin, of Greensboro, spent Sunday with Mrs. Melvin's parents, Mr. and Mrs. W. R. Hughes.

Mr. May and Miss Ethel Buie, of Winston-Salem, visited relatives in town Sunday.
