

Wagger's Good Bye Sale!

Waggers are closing out Randleman stock of General Merchandise.

WE ARE OFFERING OUR \$50,000.00 Randleman Stock AT AND BELOW COST

Wagger's stock of high grade Clothing, Shoes, Hats, Caps, Gents' Furnishings, Ladies' Ready-to-Wear, Millinery, etc., to go, fixtures and all, no exceptions, to the people of Randolph and surrounding counties at once. In harmony with this sale we will also give a substantial reduction at our Asheboro store for the next 15 days.

You certainly know this reliable firm, 12 years at Randleman, always doing business with strictly up-to-date methods. Our business has grown wonderfully in these 12 years and we wish to thank the good people for their splendid support and therefore we are going to try to repay them by offering you this merchandise at the right price. Take that idle dollar out of your pocket, man, put him to work for you; you worked hard enough for him. Remember it will pay you to lay in a full supply for the next twelve months at these unusual prices. Remember our goods are guaranteed; any article bought during this sale and not like we represent it to be will be taken back and money refunded.

We are not offering to give anything away to bring you to this sale and not hanging, string or tearing our stock up to soil it, but are offering sure enough bargains which we want you to come and see and examine for yourselves. This sale is a continuance since July 28 and have been giving bargains since and will continue until our stock is exhausted, fixtures and all.

It will even pay you to put aside your work and come, buy for the family.

Prepare for your family in the wearing line just as you would prepare for them vegetables for the winter.

See the Greatest Clothing Carnival you ever witnessed in your life.

Don't lay aside this paper thinking it is no more important than any other sale paper. We don't make a sale often, but this is a "good-bye sale."

THINGS TO REMEMBER

Remember, don't put off until tomorrow what you can do today.

Don't expect other people to waste their time buying bargains for you.

Don't get angry with your neighbor when he beats you to the bargains as you could have done likewise.

Don't think it is a very much of a pleasure for us to give goods at such a sacrifice. We had to pay one hundred cents on the dollar for them.
