

COULD HARDLY DO HER WORK

Lydia E. Pinkham's Vegetable Compound Made Her Eat, Sleep, and Feel Every Day.

"I was weak and run-down in such a nervous condition that I could hardly do my work. I tried all the time to get on my feet, but I could not sleep and had no appetite. I tried different medicines, but they did not help me. I read in the paper of Lydia E. Pinkham's Vegetable Compound and what it had done for other women and I gave it a trial. I began to eat better and could sleep, and I consider it a wonderful medicine. My friends and I will never be without it."—Mrs. M. ORLEN, 3609 S. Marshfield Ave., Chicago, Illinois.

It is such letters as these that testify to the value of Lydia E. Pinkham's Vegetable Compound. This woman speaks from the fullness of her heart. She describes as correctly as she can her condition, first the symptoms that bothered her the most, and later the disappearance of those symptoms. It is a sincere expression of gratitude. For nearly fifty years Lydia E. Pinkham's Vegetable Compound has been so praised by women.

IF SICK TODAY! TAKE NO CALOMEL

"Dodson's Liver-Tone" Straightens You Up, Better Than Salivating, Dangerous Calomel and Doesn't Upset You—Don't Lose a Day's Work—Read Guarantee

I discovered a vegetable compound that does the work of dangerous salivating calomel and I want every reader of this paper to buy a bottle for a few cents and if it doesn't straighten you up better and quicker than salivating calomel just go back to the store and get your money back.

I guarantee that one spoonful of Dodson's Liver-Tone will put your sluggish liver to work and clean your thirty feet of bowels of the sour bilious and constipation poison which is clogging your system and making you feel miserable.

I guarantee that one spoonful of this harmless liquid liver medicine will relieve the headache, biliousness, coated tongue, urge, malaria, sour stomach or any other distress caused by a torpid liver as quickly as a dose of vile, nauseating calomel, besides it will not make you sick or keep you from a day's work.

Calomel is poison—it's mercury—it attacks the bones, often causing rheumatism. Calomel is dangerous. It sickens while my Dodson's Liver-Tone is safe, pleasant and harmless. Eat nothing afterwards, because it cannot be nullified. Give it to the children because it doesn't upset the stomach or shock the liver. Take a spoonful tonight and wake up feeling fine and ready for a full day's work!

Dear Friends:

I want to tell you, as well as thank you, for what your preparation has done for my baby. He was a little, cross, crying baby, awfully constipated all the time, when I started to give it to him. But now he is a big, fat baby, and I cannot speak too highly of your preparation.

I know there is nothing that can come up to Mrs. Winslow's Syrup for a baby and I feel that it was a God-sent blessing to me. I will tell any mother what it has done for my baby.

With all good wishes, to you and your preparation.

Respectfully,
(Name on request)
