WHY SUFFER SO?

Why suffer from a bad back, from sharp, shooting twinges, headaches, dizziness and distressing urinary ills? Asheville people recommend Doan's Kidney Pills. Ask your neighbor. Could you ask for "stronger" proof of merit?

Mrs. W. D. Spoon, 6 Fayetteville Street Asheville, says: "Last winter I had the grip and my kidneys were left in a weak condition. I got right down so I couldn't be on my feet five minutes at a time. My back ached and my whole body was in pain. My feet and limbs swelled and my fingers were so stiff mornings I couldn't bend them. The way my kidneys acted caused me no end of annoyance. I used Doan's Kidney Pills for these ailments while I got at the Asheville Drug Co. Doan's which was just the right remedy for me and soon put me on my feet again. The aches and pains in my left and my kidneys were regulated."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same as Mrs. Spoon had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

GASOLINE SERVICE DEVICE

Dear Sirs—I took a Ford coupe, drained the tank and the carburetor then put one-half gallon of gasoline in the tank and started off. We went 10 miles on one-half gallon and then we opened the pet cocks to see if they had any gasoline in the tank or carburetor, but they were both dry. Then we attached the Vaporizer and put one fourth gallon of gasoline in the tank and when we stopped, the speedometer registered 14 miles and 3-10. That means over 57 miles on one gallon.

Very truly yours,
E. L. Van Cleave, New Orleans, La.

Our device practically doubles your mileage per gallon of gasoline, prevents carbon and spark plug trouble, engine overheating, starts easier, gives more power and speed, prevents battery drain, and you are to be JUDGE AND JURY.
