During this big Sale I am going to give you what I have thousands of other people who have attended my sales namely—real bona fide Bargains. I'll make your trusty pocket book dance with Glee; I'll make your heart palpitate with Joy when you meet these massaged bargains face to face. My prices will be way below anything you ever dared anticipate. Dependable quality merchandise at prices lower than wholesale and Factory cost of today. This stock of merchandise has been turned over to me to put on a real Sale that would be a revelation in modern selling in order to make it an event that will linger in your memory. I must offer real bargains. I have gone through the entire stock and I am almost dumfounded at the low prices I am quoting you on this high grade merchandise. Read every item in this advertisement and you will realize that I am giving you real bargains, and this is not half, for the like of space I am unable to quote any more. I have cut prices to the bone. Come, ye unbelievers, and behold what I have done, and all for you. Yours for forgotten cost and ignored profits.
