OLD SANTA CLAUS WILL BE

Santa Claus is making preparations for his annual visit to the little boys and girls who read The Courier and we hope that he will be good to them this year. The Courier wants all of the children to write a letter to Santa and tell him what they want for Christmas. These letters will all be printed in our issue of December 13th. This is a feature that The Courier has carried for several years and we trust that the children will take advantage of it again as they have in the past and that dear old Moon made a hurine s trip to fireen. Santa Claus will be kind to them.
