Around all day with an aching back, Can't rest at night; Enough to make any one "give out." Doan's Pills are helping thousands. They are for kidney backache; And other kidney ills. Here is Asheboro proof of their merit:  
Mrs. W. D. Spoon, S. Fayetteville St., says: "I had the grip and my kidneys were left in a weak condition. I got right down so I couldn't be on my feet five minutes at a time. My back ached and my whole body was in pain. My feet and limbs swelled and my fingers were so stiff mornings that I couldn't bend them. The way my kidneys acted caused me no end of annoyance. I used Doan's Kidney Pills for these ailments, which I got at the Asheboro Drug Co. Doan's were just the right remedy for me and soon put me on my feet again. The aches and pains left and my kidneys were regulated."

**"Well! Strong!"**

Mrs. Anna Clover, of R. F. D. 5, Winfield, N. C., says: "I began to suffer some months ago with womanly troubles, and I was afraid I was going to get in bed. Each month I suffered with my head, back and sides—a weak, aching, nervous feeling. I began to try medicines as I knew I was getting worse. It did not seem to find the right remedy until someone told me of **CARDUI** The Women's Tonic. I used two bottles before I could see any great change, but after that it was remarkable how much better I got. I am now well and strong. I can recommend Cardui, for it certainly benefited me."  
If you have been experimenting on yourself with all kinds of different remedies, better get back to good, old, reliable Cardui, the medicine for women, about which you have always heard, which has helped many thousands of others, and which should help you, too.
