TO FARMER FRIENDS:

We opened our warehouse yesterday. Prices went very satisfactory. Our buyers all seem to want tobacco. They seem to have made up their mind to give the farmers a good price for their tobacco. We think tobacco is selling from 2 to 5 dollars per hundred higher than before Christmas.

Thousands of satisfied customers increased our business over one hundred per cent this season. We wish to thank you for the increase of our business. We assure you at all times we are your friends and will take pleasure in doing any thing for your interest. Our warehouse will be open until around February 1st. We would advise you to sell your tobacco while the weather is good and also while prices are good.

Ford
THE UNIVERSAL CAR

Looking Ahead

LAST Spring a total of 350,000 people were disappointed in not being able to obtain deliveries of Ford Cars and Trucks, as orders were placed faster than cars could be produced.

The demand for Ford Cars and Trucks this Spring will, according to all indications, be far greater than last Spring.

Winter buying has been increasing at a greater rate than ever before.

Actual retail deliveries the past 60 days totaled 308,170 Ford Cars and Trucks, an increase of 1,961 a day over a year ago.

Over 300,000 people have already ordered Ford products on our purchase plan, the majority of whom will take delivery in the Spring.

The above facts are given with the suggestion that you list your order promptly with a Ford dealer if you contemplate the purchase of a Ford Car or Truck for use this Spring or Summer and wish to avoid delay in delivery.

You need not pay cash for your car. You can arrange to make a small deposit down, taking care of the balance in easy payments. Or, you can buy on the Ford Weekly Purchase Plan. This puts you on the preferred order list and secures delivery of your car at a time to be determined by yourself.
