

New 50-Cent Cola Is Discussed

The discussion of a new 50-cent coin is of interest to all who are interested in coins.

Gustav Borglum, sculptor of Stone Mountain memorial being constructed near Atlanta, recently asked President Coolidge today to approve pending bills to authorize coinage of a special 50-cent piece to commemorate the completion of the first section of the memorial.

M. P. COLLEGE BUILDINGS CONTRACT AWARDED

It is of interest to the people in this section of the State especially to know that a contract was awarded to R. A. Stewart and son, of High Point, last week for the erection of the two dormitories of the Methodist Protestant college. The contract price was not announced but it is understood that the total contract calls for an expenditure of approximately \$235,000.

Work will begin on the two structures in time for completion for the formal opening of the college in the fall of this year.

The contract was awarded at a meeting of the building committee of the institution held at High Point, bids having been opened at Greensboro last week, but action deferred.

The dormitories will be of modern construction, two stories in height. Each building will be 62 feet long and 35 feet in width. One will be used for boys, having 107 rooms, while the other will be a girls' dormitory with 85 rooms.

MRS. ASA CANDLER ARRESTED AT LIQUOR PARTY

Following a trial for breach of promise in which Asa Candler, of Atlanta, wealthy "Coco-Cola King" won over Mrs. DeBouchel, the family again came into the limelight when Mrs. Asa Candler was arrested and taken to police headquarters along with two prominent business men of Atlanta. They were arrested in an apartment, which was said to belong to a friend of Mrs. Candler, and the trio were seated around a table from which they appeared to have eaten a hearty meal, as well as consumed the contents of a bottle of whiskey.

William J. Stoddard, president of the National Dry Cleaners' association who also was arrested in the raid, indignantly declined today to discuss the incident and no statement was forthcoming from G. W. Keeling, president of a brick manufacturing company, who was the third person arrested.

The men were indignant over the arrest, and as yet have made no statement. Neither has Mrs. Candler, and it is rumored that she was not at her husband's home the following day, nor at her mother's, who was keeping her twin girls, by her first marriage. She has been married to Mr. Candler since last June.
