

THE SOUTH MUST GROW ITS OWN FOOD

NO FARM SECTION CAN BUY ITS FOOD AND GRAIN AND GROW RICH.

Atlanta, Ga.—(Special)—Few people in the South realize the enormous drain there has been on the South's wealth through the steady food and grain buying during the past fifty years.

REPUBLICAN PARTY BEING PAID FOR FALSE ATTACKS ON WOODROW WILSON

Washington, D. C., March 11.—The present demoralization of the Republican leaders might be pitiful if it were not so thoroughly merited as a result of the campaign of vilification which they carried on against the Wilson administration for two years prior to the election of 1920.

BAPTIST MISSIONS GREATLY EXTENDED

SHOWS LARGE EXPANSION FROM FORWARD MOVEMENT

THE WORK ON FOREIGN FIELDS SHOWS LARGE EXPANSION FROM FORWARD MOVEMENT

NEW COUNTRIES ENTERED

Southern Forces Now Have Missionary Fields on Every Side of Globe With Audience of 900,000,000.

DR. J. F. LOVE, Sec. Foreign Mission Board

Indicating the extent to which the foreign mission work of the Southern Baptist Convention has been set forward by the larger proceeds that have come to it from the Baptist 76 Million Campaign, Dr. J. F. Love, secretary of the Foreign Mission Board, reports that since 1919, when the Campaign was projected, the following increases in the work of that board have been made:

Number of foreign missionaries on the field has increased from 838 to 840, number of native workers from 427 to 4,880, number of churches from 505 to 891, number of church members from 49,959 to 103,328, number of self-supporting churches from 143 to 211, number of baptisms per year from 6,695 to 12,611, number of Sunday schools from 760 to 1,447, number of Sunday school pupils from 36,115 to 87,497, number of day schools from 512 to 794, number of pupils in day schools from 15,722 to 32,789, and contributions per year from \$173,272 to \$487,563.

Nearly as many persons have been baptized by the missionaries on the foreign fields since the Campaign began as had been baptized during all the seventy-five years of missionary operations prior to the inception of this movement, Dr. Love reports. This does not include Russia, where more than one million members have come into the Baptist churches in recent years. Nearly one-fourth as many persons were baptized on the foreign fields last year as there were members, all told, on the foreign fields when the Campaign began.

At the time the Campaign began Southern Baptists were operating only in Mexico, Brazil, Argentina, Chile, Uruguay, China, Japan, Africa and Italy. As a result of the larger proceeds made available from the Campaign the board has been enabled to enter the new fields of Spain, Yugoslavia, Hungary, Roumania, and Russia in Europe, and Palestine and Siberia in Asia. This gives to Southern Baptists a total missionary audience of 900,000,000, or more than one-half the total population of the globe.

Older Fields Re-Entered

But of more significance than the entry into these new fields is the reinforcement that has come to the work in the older fields, in the estimation of the officials of the Foreign Mission Board. This reinforcement consists not only in sending out many new workers but providing larger equipment in the way of church houses, hospitals, publishing houses and the like. Summarizing the growth that has come in the foreign fields since the Campaign began the following results are pointed out:

Number of churches, 28% increase; number of church members, 109% increase; number of church buildings, 65% increase; number of schools, 65% increase; number of pupils, 168% increase; number of residences for missionaries, 84% increase; number of foreign missionaries, 65% increase; number of native missionaries, 304% increase; number of hospital buildings, 21% increase; number of treatment given, 61% increase; number of hospital beds, 194% increase.

HOW TO GROW THE EGG PLANT

Plans should be made at once to grow some egg-plants in the garden this summer. The plant is easily grown, the fruit is excellent, and it makes a good crop for the market. Says extension horticulturist for the State College of Agriculture and Department of Agriculture.

Suggestions for success with the egg plant are as follows: The seed should be sown in hotbed about 60 days before time to transplant to the field.

The Black Beauty variety is the earliest of all, requiring only 125 days to mature. Other good varieties are New York Improved Purple and New York Spineless.

Gloom is back again. An editorial catchism is largely responsible. We found it in the New York American and it read as follows:

1. Do I waste time? 2. Do I waste health? 3. Do I waste food? 4. Do I waste opportunity? 5. Do I waste the happiness of others? 6. Do I waste my reputation by not keeping my word and needlessly offending others?

JOHN SPRUNT HILL

John Sprunt Hill, of Durham, in his speech before the merchants' association at Atlanta sometime ago has this to say about North Carolina:

"He told the story of the marvelous development of North Carolina since the upstanding thought and conscience of that State, aroused by a condition of political humiliation that the old fusion regime had created, and by an economic depression that brought the people to their knees, swept ignorance and prejudice and demagoguery from the control of government, set up a great, broad-shouldered program of education, and thus, through enlightenment, evolved a sentiment for construction that has now made the State a leader in progress among the forty-eight States of the Union.

And then the Constitution proves that it is "sold" on North Carolina by submitting the following for the attention of all Georgians, and all others in the South, who read that great newspaper:

"There is no good reason why North Carolina should lead Georgia in anything, and yet the sad fact is that she leads in everything of a constructive nature.

"Her industrial development has kept pace with her public service improvements.

"From the hour that the late Governor Aycock made his militant appeal from every platform in the State for the better, and enforced education of the people until the present Governor Morrison made his dynamic demand 'do it, do it, do it' in reference to the great highway bond issue, there has not been a State in this country that has shown such a marvelous record of worthwhile achievement.

"Education is responsible—the education that dispaches prejudices and the antiquated philosophy of selfish inertia.

"Georgia should take lessons from North Carolina and profit by her record. It takes courage, militancy, force; and above all it takes more business and less politics in government—more business men of the Hill type in the legislative and administrative circles, and less of the professional politicians who measure every act with the yard-stick of political expediency and the ballot box."

The United Daughters of the Confederacy of the fifth North Carolina district will meet in High Point, April 1, for a convention in the Sheraton hotel and the occasion will draw many of the State officers to High Point.

MRS. CLARK THANKS FRIENDS FOR KINDNESS

I wish to express through the Courier my thanks and hearty appreciation, to the many dear friends and loved ones who so lavishly contributed to my happiness, on the 29th of February. Truly, it was a wonderful day, made so, by the blessings of God, who has given me so many dear ones to cheer and brighten life, by their letters, cards, and various tokens of friendship, that filled my heart with joy. The gift from the Missionary Society and that of the Wesley Bible Class was beautifully touching, and will fill my mind with sweetest memories. I feel my unworthiness of the many favors received, and pray the blessings of Him who makes the hills of the field to grow, and flowers by the wayside to blossom, to abide with each one, who so sweetly contributed to the happiness of the day.

Very sincerely, MRS. C. J. CLARK

Trinity, N. C. March 2nd, 1924.

WOMEN VOTERS MET AT DURHAM LAST WEEK

At the meeting of State Convention of N. C. League of Women Voters in Durham last week, Miss Gertrude Well, of Goldsboro, who has been acting president for the past year was re-elected president.

Approval was given the permanent court of international justice, the establishment of a state reformatory for women to take care of the felon, the dope addict and the hardened prostitute; the continuance of the study of the juvenile court in North Carolina, and the industrial condition affecting women.

The league endorsed the progress that has been made in penal reform and pledged its continued support until North Carolina has a satisfactory, modern and humane penal system from both an administrative viewpoint.

The women voters favored special legislation for the removal of political and civil discriminations rather than the sweeping blanket amendment providing equal rights that is now before Congress.

The publishing of bans two weeks before the marriage ceremony was approved by the body in the belief that many divorces and unwise marriages might be prevented if this were a legal requirement.

The national educational bill, received the indorsement of the body as did a resolution favoring a change in the compulsory school law to a higher age limit and a certain attainment in grades.

Republicans of Seventh District to Meet in Lexington.

A Republican convention for the Seventh North Carolina Congressional District, has been called to meet at Lexington, on Tuesday morning, March 18th at ten o'clock. Two delegates and two alternates will be chosen to represent the district at the Republican National Convention, which is to be held in Cleveland, Ohio, in June. A candidate for Congress will probably be recommended for the statewide primary. Henry Reynolds, of North Wilkesboro, is district chairman.

Missionary Society Meets.

The Ladies' Missionary Society of the Baptist church met with Mrs. E. Tilly last Thursday. The program was in charge of Mrs. Millspaugh and Miss Rose.

After the program and the business meeting Mrs. Tilly served ice cream, cake and candy. There were twelve members present at this meeting.

The Flager mansion "White Hall" at Wilmington was sold by Mrs. Lawrence Lewis last week. Mrs. out matter you never thought was in Lewis inherited the property through her aunt Mrs. Lilly Kenan Flager Bingham.

ED. McLEAN DEAD

Edward E. McLean who came to Asheboro sometime in 1878 or about that time from his home in Alamance county and was a clerk in Dr. Worth's and Mr. McAllister's store, is dead.

In 1880 he went to Worthyville when Dr. Worth built the cotton mill there. He was manager for the store and bookkeeper for the cotton mill company. A few years later he went to Siler City and was there engaged in a mercantile business with Dr. Worth as partner. He went to Texas sometime about 1885 and was secretary to Charles A. Culberson while he was Governor. Afterwards Culberson was Senator and remained a senator until the 4th of last March. At the time of Mr. McLean's death, which occurred February 24, he was secretary to the Texas Railroad Commission, and he was buried at Dallas, Texas. He was an eminent friend of Sidney Porter's (O'Henry), when the latter was in a land office in Texas. He had a number of friends in state and national life. He was the son of "Bob" McLean of Alamance county which was Solicitor of the district in which Randolph was included prior to the Civil War. He was a brother to T. L. McLean of Greensboro, and Mrs. C. M. Vanstory who is also of Greensboro, North Carolina.

Sideache Backache. I have been taking Cardui, says Mrs. Lillie Bolton, of Lake Providence, La. I got down to bed health and lost in weight until I only weighed 120 pounds. I had had pain in my sides and back and my legs hurt me until I couldn't walk. I stayed in bed half the time. I tried all kinds of medicine, but it did me no good. Finally I tried Cardui. It seems like it did me good from the very first. After I had taken half a bottle I noticed an improvement. I continued to use it and I got better and better. The pain in my sides and back disappeared and I began to gain weight. I will pass this on to all my friends.
