EFIRD'S FALL OPENING -- S A L E --

STARTS FRIDAY, OCT. 10, LASTS THRU OCT. 18 In the Combined Chain of 36 Stores Throughout The Carolinas and Virginia

FOLLOWING NOTE FROM J. W. EFIRD, OUR NEW YORK OFFICE:

My office, with the entire organization, has been busy now for three weeks collecting new Fall merchandise for all the stores. We have bought the largest number of garments in the past two weeks that we have ever bought in a like time, and at prices lower for real quality and style that we have ever heard of. We have simply took the entire ouput of numbers of manufacturers numbering into the thousands and thousands of Dresses and Coats. I know our stores can sell Dresses and Coats this fall at lower prices than our competitors are paying for them in New York. Put on a sale at once and save the good people some money for we have shipped enough to each store during the past ten days to fill them up.
